If You Only Knew Kristan Higgins, 2016-05-31 A funny, frank and bittersweet look at sisters' marriage and moving on from the New York Times bestselling author of the Blue Heron series. Letting go of her ex-husband is harder than wedding dress designer Jenny Tate expected, especially since his new wife wants to be Jenny's new best friend. Needing closure, Jenny trades the Manhattan skyline for her hometown up the Hudson where she'll start her own business and bask in her sister Rachel's picture-perfect family life and maybe even find a little romance of her own with Leo, her downstairs neighbor who's utterly irresistible and annoyingly distant at the same time. Rachel's idyllic marriage, however, is imploding after she discovers what looks like her husband's infidelity. She always thought she'd walk away in this situation but now she's wavering much to Jenny's surprise. Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness but to protect her sister, Jenny may have to tarnish that memory and their relationship and reveal a family secret she's been keeping since childhood. Both Rachel and Jenny will have to come to terms with the past and the present and find a way to help each other get what they want most of all.

Anything for You Kristan Higgins, 2015-12-14 Before you get down on bended knee, you should be pretty darn sure the answer will be yes. For ten years, Connor O'Rourke has been waiting for Jessica Dunn to take their on-again-off-again relationship public and he thinks the time has come. His restaurant is thriving, she's got her dream job at Blue Heron Vineyard, it's the perfect time to get married. What she and Connor have is perfect friends with an excellent benefits package. So when he pops the question, her answer is a fond but firm no. If it ain't broke, why fix it? Jess has her hands full with her younger brother and finally a great career doing something other than waitressing. Besides, with her difficult past and questionable reputation, she knows she's not wife material. But this time, Connor says it's all or nothing. If she doesn't want to marry him, he'll find someone who does. Easier said than done, given that he's never loved anyone but her. And maybe Jess, who's always seemed so sure of herself, has a few things left to learn of her own.
