**The Philosophy of Spike Lee** Mark T. Conard, 2011-07-22 Over his twenty plus year tenure in Hollywood Spike Lee has produced a number of controversial films that unapologetically confront sensitive social issues particularly those of race relations and discrimination Through his honest portrayals of life s social obstacles he challenges the public to reflect on the world s problems and divisions The innovative director created a name for himself with feature films such as Do the Right Thing 1989 and Malcolm X 1992 and with documentaries such as 4 Little Girls 1997 and When the Levees Broke 2006 breaking with Hollywood s reliance on cultural stereotypes to portray African Americans in a more realistic light The director continues to produce poignant films that address some of modern society s most important historical movements and events In The Philosophy of Spike Lee editor Mark T Conard and an impressive list of contributors delve into the rich philosophy behind this filmmaker s extensive work Not only do they analyze the major themes of race and discrimination that permeate Lee s productions but also examine other philosophical ideas that are found in his films ideas such as the nature of time transcendence moral motivation self constitution and justice The
