Jacobus, Edward Everett Nourse, Andrew Constantinides Zenos, 1909 **Understanding the 40 Parables of Jesus Christ** K. E. Cornerstone, 2015-05-15 A Unique Approach Genre Context and Culture Understanding the 40 Parables of Jesus Christ

takes the approach of understanding Jesus parables by examining the genre scriptural context and historical culture The goal of this approach is to reveal theology from the Bible as opposed to trying to find verses to support a belief This is the difference between letting the Bible tell us what is true versus someone trying to find evidence for what they want to believe When we allow the Bible to teach us what to believe we can better set aside our own biases and become more receptive to God's truths

**Importance of Context and Culture** Parables are a particular genre of literature that are characterized by typically having only one meaning The meaning of Jesus parables can generally be determined by the point Jesus makes to introduce or end them However sometimes the point is obscure due to culture or the meaning is missed due to a failure to carefully consider the context
