Never Look Back Kathy Herman, 2009-02-19 Forgiveness is one thing but who really forgets Ivy Griffith has been released from jail after serving time for covering up the strangulation death of a high school classmate ten years earlier She s paid her debt to society Kicked her drug habit She s making a fresh start Problem is everyone in her hometown of Jacob s Ear Colorado knows what she did And her seven year old son Montana won t stop probing about the father he has never met the man Ivy was too stoned to even remember Plagued by her own shame and her little boy s cries for male affirmation Ivy is thrilled when Rue Kessler takes an interest in Montana and her Maybe just maybe he s the answer to prayer she s been waiting for But Rue has a shadow hanging over his past and is suspected in a rash of bizarre brutal beatings He denies any involvement and Ivy believes him until she discovers he and Montana have kept a secret from her At a loss for what to believe or where to turn Ivy s on the verge of despair and wonders if even God has given up on her Or is something bigger at play here something being orchestrated outside of her control that s about to bring down the curtain on everything including her past

Not By Chance Kathy Herman, 2010-05-05 In Search of Significance Thirty year old Brandon Jones arrives at his parents doorstep burned out jobless and now fianc e less Ellen and Guy can provide a place for him to stay only until he figures out what to do with his life When he takes a temporary job at a summer camp for disadvantaged kids Brandon begins a turbulent relationship with a biracial adolescent named Caedmon Somewhere in the midst of the chaos caused by Caedmon s disappearance just before a hurricane is predicted to hit Seaport and by a group of racists who will not stop at arson or murder Brandon begins to see that the pieces of his life are not by chance If he has discovered his life s purpose can he live it Life is pointless And if there s a God He s asleep on the job Brandon Jones didn t know what he expected from the homeless man he met on the way out of town Certainly not the angry words that haunted him But then nothing happened the way he expected Not his promising career not his engagement to the perfect woman All his certainty that God had plans for him that he was meant to do something important something significant had amounted to

a big fat zero And now here he was thirty years old no job no fianc e Living with his parents Maybe the homeless guy was right Then again maybe not Maybe Brandon has returned to Seaport for a reason To face down a brewing disaster steeped in hate crimes and danger To survive against all odds To learn once and for all that many are the plans in a man s heart but it is the Lord s purpose that prevails Story Behind the Book I am continually blessed by how many readers express their appreciation for the God given talent that enables me to write novels but I m more amazed that so many of them feel as though they haven t been gifted with anything My goal in writing Not By Chance was to show that God s purpose for every life is in place before we are born Based on Proverbs 19 21 Many are the plans in a man s heart but it is the L ord s purpose that prevails I sought to create unforgettable characters who challenge each reader s understanding of their purpose in life Ultimately I want to point them to the Creator with the Master plan Kathy Herman The Grand Scheme Kathy

Herman,2008-04-15 Envy is a deadly poison Faith is the antidote Things couldn t be better for Rue Kessler He just married the mother of his eight year old son Montana and finally has the family he s always dreamed of Not only that his father in law hired him to be the new construction supervisor on a big condo project He s been sober for eighteen months He s finally plugged in at church And he s building his wife Ivy the house she s always dreamed of Life is good Then with no warning Rue and his wife and son become the target of someone s cruel and frightening attacks What reason would anyone have to dash their hopes and dreams What will it take to stop it What defense is there against an enemy he can t see While Rue s head is still reeling a man on his work crew is found half dead in Tanner Canyon Are the attacks related Is someone trying to put a stop to the condo project Or is something more sinister afoot something that will take all the faith he s got to confront
