Raising a Toast Pramit Pratim Ghosh, 2021-02-05

Raising a Toast is a compilation of 20 speeches that I had the good fortune of delivering in my journey as a Toastmaster. Most of these speeches have sprung from my personal anecdotes, some funny, some thought-provoking. Few speeches will tell you stories of past and present of people and places through my eyes. And then there are a couple of speeches that raise some questions for you and me to reflect upon. But one common link that binds them all is the stage of Toastmasters where they found life. Each of these speeches gave me an opportunity to pen down some burning message inside of me to share my story to any audience which was willing to listen to connect with those who took back something from what I had to say. Raising a Toast is a humble attempt to carry these anecdotes, these stories, these questions from the conventional stage to the paperback stage. Written with the sole agenda of reaching out to more souls out there who are willing to listen. And with the hope that when they read this they get inspired to share their set of stories with the world.

Life in the Outback of America Fred and Joyce Evans, 2025-01-02. A compelling new book *Life in the Outback of America: Things Take Time* shares the inspiring life journey of Fred and Joyce Evans as told to Jeremy Fisher. This heartfelt memoir takes readers deep into North Dakota's Little Knife River Valley where grit, determination, and faith form the bedrock of an extraordinary family story rooted in the timeless values of ranch life in America's heartland. With chapters recounting their upbringing, marriage, family, and entrepreneurial successes, Fred and Joyce Evans' story offers not only a glimpse into ranching life but also valuable insights into leadership, community building, and spirituality. Spanning decades from a time of one-room schoolhouses and homestead shacks to today, *Life in the Outback of America* weaves together tales of hardship and triumph, connecting past generations' pioneering spirit with modern achievements. Highlights of the book include the Finnish concept of *sisu*, a core value in the Evans' lives; stories of community mentorship and faith-driven resilience; insights into ranching, farming, and entrepreneurial successes that include North Dakota's oil industry. A foreword by their daughter, Danita Bye, celebrating her parents' enduring legacy. This book represents more than my parents' life stories; it's an entrepreneurial guide, a source of leadership wisdom, and spiritual encouragement. Their legacy is a gift, writes Bye in the foreword. *Life in the Outback of America: Things Take Time* is a testament to the strength of marital and family bonds, the power of faith, and the resilience required to overcome life's challenges, all with a relatable and lighthearted spirit that adds richness to the Evans' inspiring journey.
