## Allah Is Not Obliged:

**Allah is Not Obliged** Ahmadou Kourouma, 2011-06-01 ALLAH IS NOT OBLIGED TO BE FAIR ABOUT ALL THE THINGS HE DOES HERE ON EARTH These are the words of the boy soldier Birahima in the final masterpiece by one of Africa's most celebrated writers Ahmadou Kourouma When ten year old Birahima's mother dies he leaves his native village in the Ivory Coast accompanied by the sorcerer and cook Yacouba to search for his aunt Mahan Crossing the border into Liberia they are seized by rebels and forced into military service Birahima is given a Kalashnikov minimal rations of food a small supply of dope and a tiny wage Fighting in a chaotic civil war alongside many other boys Birahima sees death torture dismemberment and madness but somehow manages to retain his own sanity Raw and unforgettable despairing yet filled with laughter Allah Is Not Obliged reveals the ways in which children's innocence and youth are compromised by war

### **The Interpretation of**

**The Meaning of The Holy Quran Volume 7 - Surah Al-Baqarah verse 262 to 286** Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin

**Mediating Violence from Africa** George MacLeod, 2023-10 Mediating Violence from Africa explores how African and non African Francophone authors filmmakers editors and scholars have packaged interpreted and filmed the violent histories of post Cold War Francophone Africa This violence much of which unfolded in front of Western television cameras included the use of child soldiers facilitated by the Soviet Union's castoff Kalashnikov rifles the rise of Islamist terrorism in West Africa and the horrific genocide against the Tutsi in Rwanda Through close readings of fictionalized child soldier narratives cinematic representations of Islamist militants genocide survivor testimony and Western scholarship George S MacLeod analyzes the ways Francophone African authors and filmmakers as well as their editors and scholarly critics negotiate the aesthetic

political cultural and ethical implications of making these traumatic stories visible MacLeod argues for the need to periodize these productions within a post Cold War framework to emphasize how shifts in post 1989 political discourse are echoed contested or subverted by contemporary Francophone authors filmmakers and Western scholars The questions raised in Mediating Violence from Africa are of vital importance today How the world engages with and responds to stories of recent violence and loss from Africa has profound implications for the affected communities and individuals More broadly in an era in which stories and images of violence from terror attacks to school shootings to police brutality are disseminated almost instantly and with minimal context these theoretical questions have implications for debates surrounding the ethics of representing trauma the politicization of memory and Africa s place in a global as opposed to a postcolonial or Euro African economic and political landscape    Representations of Child Soldiers in Contemporary African Narratives Ademola

Adesola,2024-09-11 In Representations of Child Soldiers in Contemporary African Narratives Ademola Adesola examines the dominant factors that writers privilege in their portrayals of child soldiering in sub Saharan Africa In his textual interpretive analyses of selected novels in the African child soldier genre Adesola contends that critical discussions of African child soldier literature have depended on the interpretive frameworks supplied by Western humanitarian discourses which oversimplify and de historicize experiences of war in Africa The author argues that such reductive decontextualization of war realities serve to champion a narrow vision of war in African contexts centered on a moral and humanitarian urge for Western intervention Regardless of whether the *casus belli* legitimating those wars are genuine or not those conflicts and children s involvement in them are understood within the same racist colonial and ethnocentric stereotypes about Africa that have been privileged in Western thought and the Western moral political imagination for centuries Thus in studying African child soldier narratives this book provides an alternative reading of novels whose settings feature African ethnopolitical conflicts such as in Sierra Leone Liberia Congo Brazzaville Nigeria notable for their exploitation of children for military ends The author maintains that these works are significant in the varying ways they reify and challenge the Western ideas of child and childhood as well as privilege child soldiers as social actors whose intricate makeups disavow being simply understood as innocent victims or irredeemable perpetrators of atrocities    **Interpretation of the Thirtieth Part of the Holy Qur'an**
