Mission Studies ,1911    Relational Children's Ministry Dan Lovaglia,2016-04-05 Children s ministry has the power to change the lives of kids and families Unfortunately it s not always clear that the work a person does with kids is really making a lasting difference Ask children s ministry leaders and kid influencers if they are making the impact on children s lives as they had hoped and most likely the responses will be mixed And for good reason Research over the past decade has revealed an alarming lack of long term growth in the faith community as children progress through student ministries into adulthood Clearly something needs to change Relational Children s Ministry seeks to reverse this trend by equipping children s ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long term impact Ministry leaders will Learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice Explore practical approaches to realign their children s ministry for a new trajectory by hitting three reset buttons to ensure long term discipleship is embedded Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context Children s ministry leaders will receive practical training to refocus their children s ministry along with time tested tools to personally recommit to lifelong discipleship Kid influencers can become a disciple making community that redirects the current trajectory for this and future generations

God Behind Bars John Perry,2006-08-06 When Charles Colson was released after seven months of prison time following the Watergate scandal the last thing on earth he wanted to do was go back into those dark frightening prisons but God called him to do just that Thus was born a life long ministry and here for the first time if the amazing success story of Prison Fellowship s thirty years of work in the darkest places on earth

**The Christian Evangelist** ,1901    Christianity in Action Henry Gariepy,2009-09-15 This meticulously researched yet engaging book traces The Salvation Army s history of service from its beginnings in Victorian England to its present day mission in all parts of the world A phenomenal religious movement acclaimed for its compassionate service The Salvation Army now works in no fewer than 118 countries yet no contemporary book has chronicled this high profile organization until now Henry

Gariepy s well written comprehensive account effectively fills that gap    **Quest for the Kingdom** John M. Newman,2011 A fascinating analysis that blends world history Western religion and Eastern mysticism Quest for the Kingdom by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book s premise holds that Jesus teachings include specific instructions for the quest to find and live in God s kingdom before death This powerful work favors fact and readers can revel in Jesus authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and

unique parallels and they lift this work's premise to a non generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like The Kingdom of God The War of the Houses The Kingdom Is Like a Woman Spiritual Cultivation and The Exorcisms and Healings of Jesus the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike Practicing the Monastic Disciplines Sam Hamstra Jr., Samuel Cocar, 2021-07-12

In Practicing the Monastic Disciplines authors Sam Hamstra Jr and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians especially those in the evangelical circle they inhabit Believing that moderns like themselves often flail in their Christian lives the authors discover in the desert Christians of late antiquity a clear map for growing in Christlikeness as well as an effective set of tools or weapons for combating temptation This set of insights sees its completion in the spiritual theology of Evagrius Ponticus a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth one which treats seriously both the frailties of human nature and the potential for sanctification This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives Churches That Make a Difference Ronald J. Sider, Philip N. Olson, Heidi Rolland Unruh, 2002-04-01

Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities Many have adopted a narrow vision focusing on only one aspect of ministry But in today's environment of faith based opportunities many Christians are eager to start reaching out to their world with both Good News and good works and therefore they are searching for appropriate ways to integrate both into their ministry In Churches That Make a Difference best selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry a balance of evangelism and social outreach Illustrations and helpful organizational tips detail the how to's of an effective holistic ministry Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications User friendly tools are included as well for congregational studies surveys evaluations and community assessments The authors draw on extensive experience with church ministries and faith based organizations as they share the life changing vision and biblical mandate for living the whole gospel Church leaders will be encouraged in their process of developing and maintaining a holistic ministry and local churches will rediscover a passion for loving the whole person the way Jesus did The

### **Preaching**

**Romans from Here** Lisa M. Bowens,Scot McKnight,Joseph B. Modica,2023-12-20 Romans is the most influential New Testament book in the history of Christian theology it has shaped Christian theology how the gospel is framed and how the Christian life is understood Preaching Romans for many pastors is the climactic text for a preaching career There are perspectives e g reformed new apocalyptic participationist among others on Romans but not all of them are known by most and too many of them not known at all We want to help rectify this by giving voice to those who have been too often voiceless

**Herald and Presbyter** ,1901    *Reclaiming Faith* Ephraim Radner,George R.
