Alliance for Preacher Training Commission EAPTC opened their missions training schools in Kenya and South Korea using this book as their training text. It was through the efforts of those missionary trainees that their work expanded into over 200 new church plants in 11 countries today. This book was put together mainly for Two Thirds World missionary candidates who often find themselves limited with sound missions training opportunities around while the lessons in this manual apply to all who are mission interested. Going as a missionary or sending a missionary without proper training is quite reckless. The principles of cross cultural mission presented in 11 chapters of this book are field tested nuggets that can certainly equip anyone aspiring for missionary work. The training has been scientifically validated effective through research and used in Africa, Asia, Americas and Oceania. This manual is also available in French, Spanish, Portuguese and Amharic.
