philosophy of the ASV while other literal translations abandon the philosophy far too often The translator seeks to render the Scriptures accurately without losing what the Bible author penned by changing what the author wrote by distorting or embellishing through imposing what the translator believes the author meant into the original text Accuracy in Bible translation is being faithful to what the original author wrote the words that he used as opposed to going beyond into the meaning trying to determine what the author meant by his words The latter is the reader's job The translator uses the most reliable accurate critical texts e g WH NA UBS BHS as well as the original language texts versions and other sources that will help him to determine the original reading Why the Need for Updated Translations New manuscript discoveries Changes in the language A better understanding of the original languages Improved insight into Bible translation *A Bible Study of Proverbs Chapter 13--Book 5* Julia Audrina Carrington, 2015-07-02 A look at the fact that the evil rich people who turn from God have no eternal riches and that God's righteous poor are eternally blessed by Him A realization that it takes money to live and that some poor are evil because they refuse to work to provide for themselves and they refuse God's correction which is called rebuke And more Julia Carrington shares real life stories to illustrate the importance of these verses in this Bible study Highly recommended Get the book now This book makes an ideal gift Get the book for family and friends now Julia Carrington shares real life stories to illustrate the importance of these verses in this Bible study Highly recommended Get the book now This book makes an ideal gift Get the book for family and friends now Julia Carrington draws from the depth of her relationship with God to connect her readers to His heart and His voice She knows the language of God and writes encouraging her readers to know His voice and follow Him T C Thanks be to God I read one of her books which was very good She is a Christian first and foremost and an awesome writer If you have never read one of her books let me encourage you to do so Amen R C We are so pleased to have writing for us our lovely author Julia Audrina Carrington who is a best selling international Christian author of many Christian books and Christian novels that are sold around the world And we believe that this book and all her books are sure to bless challenge inspire entertain and bring Christian value and Biblical truth Julia specializes in Christian fiction personal growth kindle books books Christian suspense Christian inspirational romance and a wide variety of books and topics It is Julia's desire to glorify God in all things God's Glory Publishing House
