**From Sin to Disease** Jonathan K. Okinaga,2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling The Big Book of AA and the introduction of the 12 Steps AA's influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the

medicalization of substance abuse has had on how churches approach what should be classified as a sin issue **How to Help People Change** Jay E. Adams, 1986 Change is the essential goal of the counseling process as the author reminds us This book provides us with an explanation of the idea that substantial change requires the alteration of the heart

**Counseling** John F. MacArthur, Wayne A. Mack, Master's College Faculty, 2017-03-07 Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions What do the Scriptures say about counseling What is the biblical basis for using Scriptures in counseling What does it mean to think biblically about counseling related issues At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind Written to pastors elders deacons seminary students and laypeople well known pastor John MacArthur and contributors present a system of biblical truth that brings together people their problems and the living God This kind of counseling is based on the convictions that God's Word should be our counseling authority Counseling is a part of the basic discipling ministry of the local church God's people can and should be trained to counsel effectively Counseling How to Counsel Biblically provides biblical guidelines to counsel people who are struggling The contributors represent some of America's leading biblical teachers and counselors including Ken L. Sarles David Powlison Douglas Bookman David B. Maddox Robert Smith William W. Goode and Dennis M. Swanson *The Biblical Counseling Movement after Adams (Foreword by David Powlison)* Heath Lambert, 2011-11-02 People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison But as any student or teacher of the discipline can attest those differences have been ill defined and largely anecdotal until now Heath Lambert the first scholar to analyze the movement's development from within shows how biblical counseling emerged from and remains rooted in a commitment to the sufficiency of Scripture and the need to give practical help to struggling people He identifies contemporary leaders including Powlison Ed Welch Paul Tripp and Wayne Mack who emphasize the sinner as sufferer the heart as key to motivation and the need to interact humbly with critics Demonstrating how these refinements in framework methodology and engagement style are characteristic of a second generation of biblical counselors Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods With a substantial foreword from David Powlison and strong support from prominent biblical counselors this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced

**Christ-Centered Biblical Counseling** Bob Kellemen, Stephen Viars, 2021-05-04 Master the essentials of effective biblical counseling Christ-Centered Biblical Counseling is a comprehensive resource that will help you understand how to minister from God's truth to change lives With the cumulative wisdom of almost 40 contributors with exceptional credentials

and experience you'll discover a valuable model for counseling that explains The Why of Biblical Counseling Why the Bible is sufficient and relevant for addressing every issue we face Why biblical counseling is so effective in helping people face life's struggles in Christ's strength The How of Biblical Counseling How you can lead struggling hurting people to the hope and strength available only in Christ How to counsel in a way that is Christ centered and God glorifying Every chapter provides a wonderful blend of theological wisdom and practical expertise and is written to be accessible to everyone who wishes to extend Christ's love to others pastors church leaders counseling practitioners instructors lay people and students In this massively important new book leading figures in the biblical counseling movement set forth a wealth of wisdom We have needed this book for a long time Dr R Albert Mohler Jr president Southern Baptist Theological Seminary Christ Centered Biblical Counseling is warm personal gentle always wanting to listen and know the person confident in the Spirit's working through the Word of Christ Dr Ed Welch CCEF faculty author of Shame Interrupted

**Basic Principles of Biblical Counseling** Larry Crabb, Lawrence J. Crabb, 1975 With compassion and urgency this book makes a plea for parishioners to engage in grappling soul to soul with troubled lives It looks toward a method of counseling which neither overlooks sin nor is reduced to a simplistic model of confrontation and exhortation

The New Christian Counselor Ron Hawkins, Tim Clinton, 2015-10-15 Seasoned counselors and professors Ron Hawkins and Tim Clinton offer a comprehensive guide that empowers Christian counselors by clarifying their task to help people take possession of their souls through the power of the Spirit under the authority of the Word in a supportive community of accountability that they may be like Christ The authors address head on today's enticing new imitations of true peace and tantalizing opportunities for people in pain to anesthetize themselves But they also highlight the foundation of hope God loves, he empowers and he refuses to abandon his passion for connection with his children Case studies illustrate how to help people take possession of the thinking self the feeling self the decision making self the physical self and the relational self This comprehensive plan for effective intervention is perfect for lay counselors students and professionals looking for ways to integrate their faith and practice

A Theology of Christian Counseling Jay E. Adams, 2010-08-10 Connecting sound biblical doctrine to the practice of effective counseling Jay E Adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book Competent to Counsel firmly believes that the Bible itself provides all the principles needed for understanding and engaging in holistic counseling But in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of Scripture A Theology of Christian Counseling is the connection between solid theology the study of God and its practical application Each of its sections are devoted to increasing our understanding of counseling's potential by looking at it through the lens of doctrines such as Prayer and the doctrine of God Human Sin and the doctrine of Man Redemption and the doctrine of Salvation Forgiveness and the doctrine of Sanctification No counseling system that is based on some other foundation can begin to offer what Christian counseling offers No matter what the

problem is no matter how greatly sin has abounded the Christian counselor's stance is struck by the far more abounding nature of the grace of Jesus Christ in redemption. What a difference this makes in counseling! Jay E. Adams. With this book you'll gain insight into the rich theological framework that supports and directs your approach to how you help people change.

*Biblical Approaches to Pastoral Counseling* Donald Capps, 2003-01-17. What role should the Bible play in pastoral counseling? Donald Capps here explores the use of the Bible in counseling and shows how the methods and objectives of counseling can be defined and shaped by three biblical forms: psalms, proverbs, and parables. Applying these forms, Capps demonstrates how the Bible can influence the three major types of pastoral counseling: grief, premarital, and marriage. He examines the capacity of these forms to comfort, to instruct, and to diagnose problems. He explains how through psalms feelings can be vented through proverbs, moral learning can take place, and through parables new understandings of experience can occur. With actual case study examples and practical suggestions, this refreshingly perceptive book offers positive steps for furthering dialogue between biblical scholarship and pastoral counseling.

*The Christian Counselor's Manual* Jay E. Adams, 2010-09-21. The Christian Counselor's Manual is a companion and sequel to Dr. Jay Adams' influential *Competent to Counsel*, which first laid out a vision of nouthetic counseling, a strictly biblical approach to behavioral counseling and therapy. This practical guide takes the approach of nouthetic counseling introduced in the earlier volume and applies it to a wide range of issues, topics, and techniques in counseling, including: Who is qualified to be a counselor? How can counselees change? How does the Holy Spirit work? What role does hope play in therapy? What is the function of language in a counseling session? How do we ask the right questions? What often lies behind depression? How do we deal with anger? What is schizophrenia? These and hundreds more questions are answered and explained from a biblical perspective in this comprehensive resource for the Christian counselor. A full set of indexes, a detailed table of contents, and a full complement of diagrams and forms make this an outstanding reference book for any Christian counselor.

*Guiding Principles for Biblical Counseling* Rev. Daniel W. Blair, 2015-02-25. When did we start referring our brothers and sisters to the world for counseling? When did Christian counselors stop believing that His Word had everything we need for life and godliness? When did they start going to the world for their guidance and approved methodology for counseling? Psychiatry and psychology have consistently asserted that people should be salvaged from the chains of religious upbringing and moral restraint. However, studies show positive moral and emotional benefits for those with religious faith. Churches and parishioners taking back control of their religions from psychiatry and psychology will accomplish the return to a morally and spiritually strong society. This is a very practical book not only for lay leaders and pastoral counselors but for every Christian who desires to help their brethren who has suffered under the hands of secular psychology and psychiatric drug addiction.

**Counseling and Psychotherapy** Siang-Yang Tan, 2022-04-19. This substantially revised and updated edition of a widely used textbook covers the major approaches to counseling and psychotherapy from a Christian perspective, with hypothetical verbatim transcripts of

interventions for each major approach and the latest empirical or research findings on their effectiveness The second edition covers therapies and techniques that are increasing in use reduces coverage of techniques that are waning in importance and includes a discussion of lay counseling The book presents a Christian approach to counseling and psychotherapy that is Christ centered biblically based and Spirit filled **Biblical Counseling for Today** Jeffrey Watson,2000-10-17 In his preface to this challenging book Jeff Watson describes biblical counseling as a noble adjective married to a nervous noun Believers are wise to be skeptical of much that is done in the name of counseling in secular settings Even under the umbrella of Christian counseling one has heard horror stories of cases where God's Word has been misused But Jeff Watson makes a strong case in this volume for the legitimacy of marrying biblical and counseling Christian counselors says Watson need to cultivate three fundamental skills in their patients How to tell their stories How to choose their goals wisely and How to practice changes in their lives Watson helps counselors achieve these goals by drawing on the interactions of Christ the commands of Scripture and the actions of the apostles and prophets Thus he marries counseling and biblical principles To those of us who are called on to counsel on any level Charles Swindoll says This book will become an invaluable tool for you I urge you to let it become your manual for proper counseling **Transformative Encounters** David W. Appleby,George Ohlschlager,2013-07-12 What would it mean for Christian counseling and pastoral care to take seriously the idea that God intervenes in the world In this volume more than twenty of the best pastoral counselors clinicians and counselor educators introduce us to the models that they use to integrate the Scriptures and the work of the Holy Spirit into their daily practice

**Scripture and Counseling** Bob Kellemen,2014-10-07 What role does Scripture play in counseling Today we face a weakening of confidence in the Bible This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend We need to regain our confidence in God's living Word as sufficient to address the real life issues we face today Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life Divided into two sections Part One develops a robust biblical view of Scripture's sufficiency for life and godliness leading to increased confidence in God's Word Part Two teaches how to use Scripture in the counseling process This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others Part of the Biblical Counseling Coalition series Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient necessary and relevant to equip God's people to address the complex issues of life in a broken world It blends theological wisdom with practical expertise and is accessible to pastors church leaders counseling practitioners and students equipping them to minister the truth and power of God's word in the context of biblical counseling soul care spiritual direction pastoral care and small group facilitation **Wise As Serpents, Harmless As Doves** Dmin Lpc Martha L. Sullins,Martha L. Sullins,2008-03-01 A Biblical Approach to Counseling and Therapy Christian

counselors today are faced with the choice of using the wisdom and techniques of the counseling field or simply using the Word of God. The author has a third approach using the wisdom of the counseling field filtered through and enhanced by the Word of God. Over the years she sorted through various counseling theories and techniques, discarding what did not line up with the Word of God and held onto those that complemented God's approach to healing. The result is a practical and biblical approach to counseling that brings hope and healing to many. Wise as Serpents, Harmless as Doves is a beneficial guide for all Christians called to counsel, including pastors, lay people, and professionals. It is a balanced perspective on how to use God's Word along with secular resources. This guide is a great resource for training lay counselors. Dr. Fred Wolfe, former Chairman of the Executive Committee of the SBC, former President of the SBC Pastor's Conference. This is a book I have enjoyed for its down-to-earth wisdom and straight-to-the-heart biblical counsel. I think this is a must for anyone who wants to help as a biblical counselor or a biblical friend. Ed Litton, Senior Pastor, First Baptist North Mobile. MARTHA L. SULLINS holds a Master's Degree in Marriage and Family Therapy and an earned Doctorate of Ministry in Psychology. She is a Licensed Professional Counselor, a member of the National Board of Certified Counselors and the American Association of Christian Counselors. She and her husband, Burben, lead marriage enrichment seminars across the country.

**Equipping Biblical Counselors** Bob Kellemen, 2022-06-14. Equipping the body of Christ for personal ministry has been Bob's life work. This practical step-by-step manual is the mature fruit of that lifelong commitment. Paul David Tripp, author of *Instruments in the Redeemer's Hand*. Behind every spiritually fit church are leaders in the constant process of preparing other members to become counselors who nurture one another ministry. But the success of this mission requires a practical, results-driven process for training the next generation to serve. In *Equipping Biblical Counselors*, pastor and counselor Bob Kellemen shares a proven strategy for envisioning, enlisting, equipping, and empowering new Christian counselors. A practical four-step process he has spent decades refining. With this book, Dr. Kellemen humbly comes alongside church leaders to help them assess their congregation's strengths and weaknesses, shepherd new leaders with confidence and wisdom, and encourage the consistent spiritual growth God longs to see in his followers. *Invest where it matters most*, *Equipping Biblical Counselors* reveals the steps ministry leaders can take to fulfill the calling in Ephesians 4:11-16 to embolden the body of Christ to continue changing lives with his unchanging truth.
