Commercial Real Estate Revolution offers a radically new way of doing business a beginning to end trust based methodology that transforms the building process from top to bottom Based on unifying principles and a common framework that meets the needs of all stakeholders this new system can reform and remake commercial construction into an industry we re proud to be a part of If you re one of the millions of hardcore cynics who work in commercial construction you probably think this sounds like pie in the sky But this is no magic bullet it s a call for real reform If you re an industry professional who s sick of letting down clients or an owner who s sick of cost overruns and endless delays The Commercial Real Estate Revolution offers a blueprint for fixing a broken industry
