Summary | Big Magic FastDigest-Summary, 2018-03-19 A Complete Summary of Big Magic Creative Living Beyond Fear. Big Magic is a book written by Elizabeth Gilbert. It is a book about motivation in which Gilbert, by using anecdotes and quotes, tries to bring her readers closer to her message. The main thing the author talks about is creativity. Creativity is an important factor if we want to experience true success in life. The author explains how using creativity in the right way can lead to a successful and prosperous life because when we activate our creative nature, we open the door to Big Magic. In her book, the author notes that fear is the most dangerous enemy of creativity because fear impedes people from discovering at what they are the best and thus they never find out where their true potential lies. But just as fear can prevent people from discovering their potential and from using their creativity, persistence in creativity will help people to continue against all odds even when there is no real chance for success. Big Magic is another example of self-help literature but written in a unique way. Because of the message that it sends to its readers, this book is well worth reading as it may open some new paths in your life. Here is a preview of what you will get in Big Magic: you will get a summarized version of the book. In Big Magic, you will find the book analyzed to further strengthen your knowledge.
