Summary,2016-04-14 Big Magic by Elizabeth Gilbert Book Summary In this book Elizabeth Gilbert paints a vivid picture of the beauty and fulfillment art and especially living a creative life can cultivate She encourages readers not to despair about obtaining a higher education when it comes to artistic living This book delves into the possibilities that await you when you decide to say yes to any idea that chooses you She makes it seem delightfully simple to lead a life full of light and wonder to feed your soul The title is very appropriate as she guides you towards seeing your value and pushes you to find your place in this magically creative world of ours She wants all people to celebrate their curiosity interests and perhaps latent or deeply buried sense of creativity According to her we are all creative and it is very likely only our fear that holds us back from living as freely as we should Big Magic is written as a template and provides valuable lessons for unleashing your creativity It attempts to get people back in touch with their authentic creative urges while living in a world that generally grinds away at our time and freedom This book is aimed mostly at writers and artists but also anyone who would like to inject a little bit of magic into their lives Her approach to creativity comes across as quite mystical but with some rational and logical points She encourages people to live more deeply rather than strive for meaningless titles and in the process rejects many artistic clichés It is a book focused on the possibility of self-actualization and about reaching your true potential Go ahead let go of your fear free your inner creativity and allow the Big Magic of inspiration to influence your life in remarkable ways Here Is A Preview Of What You'll Learn Courage Enchantment Permission Persistence Trust Divinity The Book at a Glance Conclusion Final Thoughts Now What Scroll Up and Click on buy now with 1 Click to Download Your Copy Right Now Tags big magic big magic elizabeth gilbert elizabeth gilbert business books motivational books creative live eat pray love [Summary | Big Magic](#) FastDigest-Summary,2018-03-19 A Complete Summary of Big Magic Creative Living Beyond Fear Big Magic is a book written by Elizabeth Gilbert It is a book about motivation in which Gilbert by using anecdotes and quotes tries to bring her readers closer to her message The main thing the author talks about is creativity Creativity is an important factor if we want to experience true success in life The author explains how using creativity in the right way can lead to a successful and
