**Ever, Dirk** John Coldstream,2011-09-08 The hitherto unpublished Dirk Bogarde the best of his marvellous letters The success of John Coldstream's bestselling biography of Dirk Bogarde demonstrates that the interest in one of Britain's leading actors memoirists and novelists does not diminish even though it is a decade since his death Bogarde was a secretive man who destroyed many of his own papers and diaries Fortunately the recipients of his letters treasured them enabling John Coldstream to bring together this fascinating collection of hitherto unpublished material Bogarde wrote to each

correspondent according to the nature of the friendship but invariably he was frank gossipy funny and often malicious The joy of writing particularly as he grew older and chose to live in France was never far away The letters display the qualities familiar to those who knew the private Bogarde acute observation laser like intelligence impatience with the foolish compassion for the needy a relish for the witty metaphor and a catastrophic disdain for correct spelling and punctuation Above all to read his letters is to hear him talk and no conversation with Dirk Bogarde was dull Recipients included the film director Joseph Losey Bogarde's first publisher Norah Smallwood the film critic Dilys Powell and the novelist Penelope Mortimer Love, Sex, and Intimacy Elaine Hatfield, Richard L. **The Art of the Sale** Philip Delves Broughton, 2012-04-12 A revelatory examination of the alchemy of successful selling and its essential role in just about every aspect of human experience When Philip Delves Broughton went to Harvard Business School an experience he wrote about in his New York Times bestseller *Ahead of the Curve* he was baffled to find that sales was not on the curriculum Why not he wondered Sales plays a part in everything we do not just in clinching a deal but in convincing people of an argument getting a job attracting a mate or getting a child to eat his broccoli Well he thought he'd just have to assemble his own master class in the art of selling And so he did setting out on a remarkable pilgrimage to find the world's great wizards of sales Great selling is an art that demands creativity mindfulness selflessness and resilience but anyone who says you can become a great salesperson in 15 minutes is either a charlatan or a fool The more Delves Broughton traveled and listened the more he found a wealth of applicable insight In Morocco he found the master rug merchant who thrives in Kasbah by using age old principles to read his customers In Tampa he met with Tony Sullivan king of the infomercial and learned the importance of creating a good narrative to selling effectively In a sold out seminar with sales guru Jeffrey Gitomer he uncovered the ways successful selling approaches religion inspiring faith and even a sense of duty in customers From celebrity art dealer Larry Gagosian to the most successful saleswoman in Japan Broughton tracked down anyone who would help him understand what it took to achieve greatness in sales Though sales is the engine of commerce and industry more Americans work in sales than in manufacturing marketing or finance it remains shrouded in myth The Art of the Sale is a powerful beam of light onto the field a wise and winning tour of the best in show of this endeavor which is nothing less than the means by which all of us one way or another get our way in the world Living for Young Homemakers, 1953 Library of Advertising Axel Petrus Johnson, 1911

Poisoned Heart Vera Ramone King, 2009-06-01 With more than 50 never before published photos of The Ramones. Often regarded as the first punk rock group ever named one of Rolling Stone magazine's Top 50 Bands of All Time with all members having been inducted into the Rock n Roll Hall of Fame. The Ramones are nothing if not legendary. Waking up the neighbors and setting the U.S. music scene on fire in the 1970s and through the 80s. The Ramones story is tragic and raw sentiments that could also describe the band's songwriter bass player and unsung genius Dee Dee. A wild ride into the heart and soul of New York City. Poisoned Heart is Vera Ramone King's last testament to her former husband who shocked the world when he died in 2002 of a drug overdose despite having been clean for years. Dee Dee defined the punk rock lifestyle. He was a rash often violent heroin addict and no one better understood his twisted mentality or insanity than faithful wife Vera. But Vera herself a less destructive Nancy to Dee Dee's Sid also came to know the Dee Dee that music fans worldwide held near and dear a generous loving man who had a soft spot for bums who grew up in the tough streets of Queens who never stopped working writing and performing who often treated his wife like a Punk Rock Princess and whose greatest joy was the look on his fans faces as he played them a song. For true fans of The Ramones those who remember the 1970s as a time of music innovation and inspired creativity groupies wannabes and true music lovers everywhere. Poisoned Heart is destined to become a literary and rock classic.
