A special focus lies on the analysis of cultural policies adopted during the reign of the respective dynasties and their effects on the development of dance court music and drama. A General History of Chinese Art comprises six volumes with a total of nine parts spanning from the Prehistoric Era until the 3rd year of Xuantong during the Qing Dynasty 1911. The work provides a comprehensive compilation of in depth studies of the development of art throughout the subsequent reign of Chinese dynasties and explores the emergence of a wide range of artistic categories such as but not limited to music dance acrobatics singing story telling painting calligraphy sculpture architecture and crafts. Unlike previous reference books A General History of Chinese Art offers a broader overview of the notion of Chinese art by asserting a more diverse and less material understanding of arts as has often been the case in Western scholarship    **Messenger and Visitor** ,1913    **South Africa** ,1909
