**A Journey Beyond My Dreams** Sandra Jones, 2022-03-11 **A Journey Beyond My Dreams** is a summary of the life of a person that believed God's Word and then moved forward trusting him The story begins as it tells of a young girl that was called by God at an early age to serve Him in ministry to others It then follows her through her formative years and on into adulthood It holds within its pages an account of a person who has faced trials tests disappointments and loss But it also

reveals the spiritual growth and the favor of God that took place in her life along the way The journey also describes the joy that is found in relationships as well as the pain sorrow and hardships experienced in widowhood and through the experience of domestic violence which attempted to destroy her true identity and her eventual destiny She shares her story of religious gender bias and prejudice that detoured her from her early calling Nevertheless because of her faith and confidence in God s grace she was able to be restored into a life and calling she never thought was possible Her journey is still being written as she now serves in local government Perhaps some of the pages in her life will connect to some of the pages in your life

*The Distant Glow* Terry I. Sarigumba, 2014-02-14 As an autobiography *The Distant Glow* traces the story of my life to the rough and rigorous way of life in Corella Bohol my birthplace Descending from generations of very poor and illiterate ancestors I exceeded my parents grade three education by finishing grade six and graduating as elementary school valedictorian Because my parents could not afford to send me to high school in the city I stayed out of school for six years helping my father on the farm and my mother in household chores One of several backbreaking works I used to do was climbing several coconut trees about 50 feet in height to tap the trees sanggutan for tuba a coconut juice that yields mildly alcoholic drink I used to climb 20 coconut trees every morning noon and evening mount over top sit on one of the palms and tap the juice One evening after sunset while atop the sanggutan I saw a glow a distant glow I muttered to myself Someday Ill find out what causes that glow I equated that statement to my goals in life I did find out what caused the distant glow Other distant glows appeared and I reached most of them with hard work and having a dream When the owners of a private school offered me an opportunity to go to their school free of tuition provided that I maintained the first place standing in the class honor roll I went to high school starting at age 20 To help shoulder the other costs of going to high school in the city I paid my room and board with service scrubbing and polishing the floor fetching water from an artesian well and gathering firewood every weekend for the landlord family With all the hardship I maintained the tuition free deal and graduated from high school as class valedictorian

**ROCK & ROLL DURING A TIME OF INNOCENCE: THEN ALONG CAME THE PILL, THE DRAFT, THE COMPUTER AND THE BRITISH INVASION** Dick Stewart, 2016-09-09 Dick Stewart was recently inducted into the 2016 New Mexico Music Hall of Fame Richard Stewart is one of those large numbers of fanatical early 60s rock and roll guitarists who never received national attention and all its glory but instead came darn close regardless of the frequent and on occasion precarious roadblocks that he encountered especially during the innocent years of early rock and roll He endured excessive corporal punishment at school and at home he explored and mapped privately owned lots in which he and his neighborhood preteen gang members built forts he was a Pachuco in an Hispanic gang while in high school he witnessed despicable bigotry toward Native Americans Mexican Americans and African Americans he fought forest fires in the Pacific Northwest one of which nearly took his life he suffered extreme hazing at the hands of his Kappa Sigma active brothers at the University of New Mexico and the arrival of the Beatles in America dashed his dream of

having a national rock in roll guitar instrumental hit All musicians high profile or not of this new mainstream music genre that the teens embraced and called their very own have an interesting story to tell but most of the wannabe breakout artists just keep putting it off Well this writer didn't Stewart's experiences from the moment the Second World War ended in July of 1945 to the beginning of the psychedelic rock period in 1967 are just too powerful suspenseful historic excruciating humorous scary and on occasion downright life threatening that needs to be told in detail This is a read that you will have difficulty putting down
