

A colorful illustration for the title page of 'Alice's Adventures in Wonderland'. On the left, a young girl with blonde hair, wearing a white dress with blue stripes and a blue bow, looks up in surprise. She is standing in a green field with rolling hills in the background. On the right, a large tree with green leaves and brown branches dominates the scene. A Cheshire Cat with a yellow and orange patterned coat and a wide, toothy grin is perched on one of the tree's lower branches, looking down at Alice.

Alices Abenteuer Im Wunderland German Edition:

Alice in Wonderland (German & English): Alice's Abenteuer Im Wunderland Lewis Carroll, Antonie Zimmermann, Nik Marcel, 2013-08-24 ALICE IN WONDERLAND Alice's Abenteuer im Wunderland Bilingual German English Translated Dual Language Edition BRIEF SYNOPSIS Alice in Wonderland first published in 1865 is about the adventures of a young girl after she dives down a hole chasing a rabbit. She encounters many animal-like creatures that have quirky human qualities and she herself undergoes many unusual transformations on her journey into Wonderland. Though sometimes regretting her fateful decision to dive down after the Rabbit Alice is for the most part a fearless and inquisitive young girl. In the underground the most unusual obstacles appear always to be thrown at her and with great insight she manages to explore ways of overcoming them. It is a story full of humour but also of sharp wit. Lewis Carroll's mathematical ability is revealed in his extensive use of logic in word play. AUTHOR Lewis Carroll is the famous pen name of the English writer Charles Lutwidge Dodgson 27 January 1832 14 January 1898. He also published many works on mathematics became an Anglican deacon and was well known as a photographer. THIS EDITION The dual language text has been arranged into sub paragraphs and paragraphs for quick and easy cross referencing. You can also read the entire book in English or German. The original English edition has been modernised and amended to suit this dual language project. The revised English text is in part a translation from German. The emphasis is on attaining a high correlation between each set of text fragments.

A *Bibliography of the Writings of Lewis Carroll (Charles Lutwidge Dodgson, M.A.)* Sidney Herbert Williams, 1924 **Lewis**

Carroll's Alice Charles C. Lovett, Stephanie Lovett Stoffel, 1990 Comparative Children's Literature Emer O'Sullivan, 2005-03-05 Emer O Sullivan traces the history of children's literature studies from the enthusiastic internationalism of the post war period which set out from the idea of a world republic of childhood to modern comparative criticism Catalogue Bernard Quaritch (Firm), 1926

Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-Glass Zoe Jaques, Eugene Giddens, 2016-05-06 Emerging in several different versions during the author's lifetime Lewis Carroll's Alice novels have a publishing history almost as magical and mysterious as the stories themselves. Zoe Jaques and Eugene Giddens offer a detailed and nuanced account of the initial publication of Alice's Adventures in Wonderland and Through the Looking Glass and investigate how their subsequent transformations through print illustration film song music videos and even stamp cases and biscuit tins affected the reception of these childhood favourites. The authors consider issues related to the orality of the original tale and its impact on subsequent transmission the differences between the manuscripts and printed editions and the politics of writing and publishing for children in the 1860s. In addition they take account of Carroll's own responses to the book's popularity including his writing of major adaptations and a significant body of meta textual commentary and his reactions to the staging of Alice in Wonderland. Attentive to the child reader how changing notions of childhood identity and needs affected shifting narratives of the story and the

representation of the child's body by various illustrators the authors also make a significant contribution to childhood studies
