## All Quiet On The Western Front Read Online:

**All Quiet on the Western Front** Erich Maria Remarque,2013-09-03 The masterpiece of the German experience during World War I considered by many the greatest war novel of all time with an Oscar winning film adaptation now streaming on Netflix Erich Maria Remarque is a craftsman of unquestionably first rank The New York Times Book Review I am young I am twenty years old yet I know nothing of life but despair death fear and fatuous superficiality cast over an abyss of sorrow This is the testament of Paul Bäumer who enlists with his classmates in the German army during World War I They become soldiers with youthful enthusiasm But the world of duty culture and progress they had been taught breaks in pieces under the first bombardment in the trenches Through years of vivid horror Paul holds fast to a single vow to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another if only he can come out of the war alive

**The Art of Persuasion** Susan Midalia,2018-04-01 If Jane Austen was twenty five today would she be a greenie or a member of the Young Liberals Probably neither But for 25 year old Hazel reading the classics starting with A is a way to pass the time while jobless and plotless A chance encounter with an irresistible older man provides a much needed distraction When Hazel is partnered with him on a political campaign her attraction is deepened by the strength of his convictions Adam seems to be attracted to her too but why can't she persuade him to embark upon romance And what does Jane Austen have to teach a young woman about life love and literature in the 21st century anyway

**Think**

**of Me and I'll Know** Anthony Varallo,2013-09-30 The characters in Think of Me and I'll Know Anthony Varallo's probing new collection of stories face moments in which insight comes too late or proves insufficient often to humorous effect The characters approach the edge of learning something about themselves or about their relationships with other people only to be left with knowledge that is not particularly useful Varallo ably captures the often confused and heartrending perspective of adolescents discovering the world such as in No One at All in which an eleven year old boy comes to see that another boy two years older is something less than a reliable friend The author also captures the complications of family dynamics such as the three generations of women in the related stories Lucky Us and Tragic Little Me The stories in Think of Me and I'll Know show that we are perhaps not much more comprehensible to ourselves than others are to us
