Harper's Young People ,1892 *To Africa and Back* Lorraine Stirneman, 2013-03-19 I was scared to death I had just told God I would do WHATEVER HE ASKED Now I waited to hear what He wanted me to do and where He wanted me to go Would I be able to do what He asked Would I like it Would I hate it Would it be too hard Where would He send me What if I

failed All these questions were running through my head but I knew that once I made a commitment I would keep it Eventually God did unveil His plan I was supposed to go to Bible School then get a degree in Elementary Education and go to Africa to teach the children of missionaries This involved language study in Switzerland WOW That sounded like fun Join me as I describe what it was like to live in a Swiss Pension to study French and to visit Dr Francis Schaeffer While in Europe I had to go to Paris to get a visa I was scared of traveling alone but read how God provided a traveling companion at the very last minute and gave us a great weekend in Paris I was originally scheduled to teach in the Congo but due to a serious rebellion there I was sent to the Central African Republic where I taught five students in a little thatched roof schoolhouse Between the bats in the attic the army ants the red ants the flying termites and the huge flying roaches I slowly began to adjust to African life and actually enjoyed it A year later I was sent to the Congo The rebellion was over or so we thought but during our five day trip to my mission station we were met by rebels with machine guns demanding our truck As I slept on the floor in a bullet ridden room with no food or water I thought to myself that I should be afraid But I was calm and peaceful for in spite of the circumstances I knew that I was in the center of Gods will the safest place in the world The rest of the book describes the joy of teaching at Rethy Academy the frustration of learning Swahili the excitement of village evangelism the seasons of loneliness the experience of visiting a Pygmy village the trials and joys of starting youth camps and the MANY MANY lessons that I learned about God and how you can trust Him completely for what He has planned for your life will be good acceptable and perfect and you cant improve on that Motive ,1955 **The New Moral World** ,1969 A London weekly publication developing the principles of the rational system of society Conducted by Robert Owen and his disciples

The Call to Africa Phyllis Mills, 2008-08-01 This is a true story a saga of faith Family and friends told the young couple they were crazy to take their little ones to Africa but they proceeded in faith Even when the baby became deathly ill they persevered and entered the ship traveling to Africa Along the way of life there were family problems of health school difficulties and decision to make God led the family in paths He wanted them Many times faith hardly seemed enough but it always was Two years in South West Africa Namibia twelve in Kimberly and the rest of the forty seven years were in the Johannesburg area No matter where God led them God s word was still getting spread people were reading and coming to His saving grace The writer and husband Bob now live in Texas still serving God I was eight when my parents became missionaries to Batang China Tibet We were four children a boy and three girls I being the middle girl My first book SOME OF GOD S CHILDREN is about those faith challenging five years Back in America we adjusted slowly to our new culture We had done without for so long rationing meant little to us At college I met and married Bob Mills who wanted to be a missionary He felt called to Africa but agreed to go to China I received a call to Africa several years earlier but refused telling God that there were too many spiders and snakes China closed its door to missionary work before we finished college We accepted the call to Africa and spent 47 years taking the Light of Christ to that Dark Continent I found God s way is best
