Systematic Theology, Volume 2 Joel Beeke, Paul M. Smalley, 2020-11-16 The aim of systematic theology is to engage not only the head but also the heart and hands. Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience. This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach. In this volume Joel R. Beeke and Paul M. Smalley shift from the doctrine of God to the doctrine of humanity anthropology and the doctrine of Christ Christology. This extensive reformed theology explores the Bible's teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith **Ancient Wisdom for the Care of Souls** Coleman M. Ford, Shawn J. Wilhite, 2024-07-09 Recovering the Wisdom of Early Christian Figures to Effectively Shepherd Modern Churches. In addition to the regular demands of preaching and shepherding modern pastors feel undue pressure to entertain congregants

and increase attendance numbers Often churches resort to the latest business models to keep pace But true life giving guidance lies in Scripture and the wisdom of those having come before us Ancient Wisdom for the Care of Souls helps pastors to embrace a classic biblical vision of ministry through the study of selected pastoral virtues and early church figures Gregory of Nyssa and Gregory the Great both referred to ministry as the care of souls Calling for a return to the sources professors Coleman M Ford and Shawn J Wilhite ponder what a scriptural vision of ministry is how patristic voices help inform this vision and how pastors today can cultivate this pastoral vision in their churches Each chapter examines an important pastoral topic such as humility the sacraments and contemplative theology and brings it to life through a constructive model and profiles of early church fathers Encouraged by the patristic wisdom of Irenaeus Athanasius John Chrysostom and more readers learn a simple and slower model for pastoring that they can emulate as they care for their communities A slower pace of life may in fact help pastors cultivate the soil of souls more richly and as a result return to ministry as the care of souls Applicable Enriches the spiritual and ministerial practices of modern pastors through ancient church wisdom pastoral reflections and examples from Scripture Theological and Historical Features detailed profiles of church fathers including Ambrose of Milan Augustine Gregory of Nazianzus Basil of Caesarea Gregory of Nyssa and others Written for Students and Pastors Ideal for college level courses as well as new or seasoned ministers
