The Book Of Heaven (Volumes 1 to 36) Luisa Piccarreta,2023-03-08 In every act of one who lives in the Divine Volition he pronounces the Fiat there and forms of it so many divine lives How he gives himself into the power of the creature and lets her do that which she wants with him Difference that passes between one who lives in him and between one who is resigned I am always between the arms of the divine Fiat and oh how I feel the need of his life that breathes beats circulates in my poor soul Without him I feel that all dies for me the light dies sanctity strength even heaven itself as if it might not belong to me anymore Instead as I feel his life all rearises in me The light re arises with its beauty that vivifies purifies and sanctifies My own Jesus re arises with all his works Heaven re arises which the holy Volition encloses within my soul as within a sanctuary in order to make it all mine So that if I live in his Will everything is mine and nothing should be missing for me

recognition exercises O A multitude of meditation forms are presented to you O Mechanics of your mind and exercises on
 how to use them O The mechanics of visualization exercises and exercises that extend your mind s eye through time and
 space O Some elementary ESP exercises O Numerous exercise modalities for you to use music as a mental tool It is the
 operator s intention that determines the use of a tool Just as it is the applications of the laws truths inside a physical science
 book that produces physical effects in your life It is the applications of the laws truths inside I AM A I that will produce
 spiritual or mystical effects in your life And a principle stated in this book the higher determines the lower maintains that the
