In It to Win It Kelly Jamieson,2019-07-23 Wynn family bonds bend but never break JP Wynn I admit I ve made some bad choices on and off the ice Now all I want to do is show my team I can control my emotions while I m playing and redeem myself with my family especially with my brother Th o I hate that I hurt him and I m determined to stay out of trouble But the hot bridesmaid at Th o s wedding is tempting me into another bad decision A little flirting and a hook up with Taylor seem harmless until Manny Martinez jumps me on the dance floor and starts beating the crap out of me And just like that I add one more bad decision to my r sum Taylor Hart I always thought hockey players were hot Now I think they re crazy Manny broke my heart when he got traded to another team and left without even a goodbye Then he showed up at my best friend s wedding All I wanted to do was show Manny that I was over him And the groom s sexy brother JP seemed more than willing to be my distraction But after the way everything went down I want nothing to do with any of them Easier said than done Especially when Lacey s new brother in law is always around And I keep thinking about the wedding night when we snuck away to his room for the best sex of my life

The Ballad in American Popular Music David Metzger,2017-09-21 While ballads have been a cornerstone of popular music for decades this is the first book to explore the history and appeal of these treasured songs David Metzger investigates how and why the styles of ballads have changed over a period of more than seventy years offering a definition of the genre and discussing the influences of celebrated performers including Frank Sinatra Aretha Franklin and Whitney Houston The emotional power of the ballad is strongly linked to the popular mood of the time and consequently songs can tell us much about how events and emotions were felt and understood in wider culture at specific moments of recent American history Tracing both the emotional and stylistic developments of the genre from the 1950s to the present day this lively and engaging volume is as much a musical history as it is a history of emotional life in America
