## **All The Way Down Changing Hearts And Minds:**

All the Way Down Robert W. Burnett, 2013-12-03 Derrick entered the door with a big grin He was wearing a Mickey Mouse pullover shirt that stopped at his knees His surfer shorts stopped at about his ankles and he looked even more outlandish with his low cut blue sneakers and blue and green sweat socks My first reaction was to send him back to change his clothes After further thought I decided to give him a lecture and let him be his individual self Again George rapidly hit the door leading the players down the hall with his usual Lets do this fella s The bus loaded up with Colleen handing me a Hall s cough drop as I sat down The cheerleader advisor knew I had been losing my voice due to yelling so much Dave handed me an antacid tablet for later and Lee s wife jumped on the bus to hand the players carrots All the rituals had been completed and the big bus moved out for the 55 mile trip to Pittsburgh The time that I had always wanted to experience as a kid was finally at hand It was a chance to coach at the University of Pittsburgh floor It was a chance to win a gold medal The most important thing though I thought was for a lot of people to change their attitude s about delinquent kids I wanted people to know that these kids were not all bad if you gave them a chance and many would and could succeed As the bus lurched down Interstate 79 I thought that no matter what win or lose these kids had already succeeded Changing Hearts Changing Communities Karl Brettig, 2023-08-16 We live in a world of changing hearts and changing communities Spiralling family violence and child abuse and neglect often related to intergenerational trauma are severely impacting many communities On an international level threats from nuclear war climate change and artificial general intelligence in the hands of autocratic dictators present disturbing challenges to our future If we want to see change in families communities and nations it needs to begin in the motivational centre of our being The scourge of insatiable approval seeking alienation from the Creator intergenerational trauma and the debilitating effects of a broken heart and spirit simmers within us How can we experience change We need to identify what needs to change in what is motivating us and discover how we can be empowered to change deeply entrenched habits As well as a change in the thought patterns of our minds we need to experience a pervasive pivot in our attitudes This publication draws from arguably the most significant change movement in history exploring how we can discover the power to change and contribute toward transforming broken communities in an uncertain world of accelerating change **The American Shorthand Teacher** , 1929 **Sustainable Health** Susan L. Roberts, 2018-12-18 Simple practices a marriage of science and spirituality that will help you take charge of your health Ancient healers understood the universe as an interconnected conscious relationship between natural elements As Western medicine took hold we lost our sense of intuitive healing and practices Here occupational therapist Susan L Roberts who also has a degree from Harvard Divinity School gives us tools for self care based on the five element theory of traditional Chinese medicine These elements fire earth wood metal and water can also be linked to contemporary science and the elements of energy matter time and space Through focus on these elements readers will learn how to impact tangible experiences of living such as sleeping

eating working and understanding one's own body Roberts argues that our bodies communicate with the world and that symptoms we may experience such as headaches or exhaustion can be mitigated by tapping into our ability to take care of ourselves the essence of sustainable health      *Sweetness of the Heart, Mind, and Soul* Pete Frierson, 2014-06-16 Sweetness of the Heart Mind and Soul is an inspirational motivational and exciting book with much love Each writing has a story behind it Sweetness is divided into several topics Love Life Family and Friends and inspirational Sweetness will uplift those who are down and bring smile to those looking for love The last poem is titled I can Change Sweetness will make a person think
