### **Babok Guide 3 :**

**Digital Business Analysis** Fredrik Milani, 2019-01-25 This book frames business analysis in the context of digital technologies. It introduces modern business analysis techniques including a selection of those in the Business Analysis Body of Knowledge BABOK by the International Institute of Business Analysis IIBA and exemplifies them by means of digital technologies applied to solve problems or exploit new business opportunities. It also includes in depth case studies in which business problems and opportunities drawn from real world scenarios are mapped to digital solutions. The work is summarized in seven guiding principles that should be followed by every business analyst. This book is intended mainly for students in business informatics and related areas and for professionals who want to acquire a solid background for their daily work. It is suitable both for courses and for self study. Additional teaching materials such as lecture videos, slides, question bank exams and seminar materials are accessible on the companion web page. *CCBA Practice Questions for IIBA Certification of Capability in Business Analysis Certification* Dormouse Quillsby, NotJustExam CCBA Practice Questions for IIBA Certification of Capability in Business Analysis Certification Struggling to find quality study materials for the IIBA Certified Certification of Capability in Business Analysis CCBA exam?
