**A Second Look at First Impressions** Paul Friesen,2008-11 What does the Bible teach What did your parents teach you Is your faith just a mirror of someone else's views This book is about the challenge to separate and discover the truth for the student or reader I grew up with so many

different belief systems Which one is right By choosing to take a second look at the first impressions I was able to empower my own faith By empowering my faith I was able to stand on a foundation of truth that made sense to me This strength and empowerment can be yours by using this book as a guide It is both simple to understand and easy to read but challenging to find definitions in our life based on the Bible or tradition Challenging your belief system allows you to personalize and strengthen your faith Seeing your belief system in smaller pieces helps you sort out falsehoods of traditions past with the truth resulting in a stronger system which can strengthen your personal relationship with God *The Bible Study Manual* Harold Bruce Hunting,1910 **Disciple** Richard B. It is with great pleasure and honor that I personally thank you for obtaining this book I believe the Word of God Bible is the only source for absolute divine authority and the Holy Spirit s influence in our understanding and applying God s Word in our daily lives is key The Word of God is totally authoritative and unfailing During a very long course of years in ministry I have had occasion to study the Bible and to read commentaries and reviews I taught in Sunday school Bible study classes and in two Bible colleges I have always been fascinated with teaching the Bible I came to understand that studying the Word of God is a vital discipline in the life of a Christian However it occurs to me that prayer meetings and Bible Study meetings are the least attended program in many local churches So I asked myself a question What are the reasons why Christians do not dedicate their time and energy to studying God s Word I found the answers First the lack of fun in learning while studying Bible is one of the factors Second the topics are not as challenging and exciting as many may think This manual is designed to challenge your knowledge and comprehension of the scriptures while you have fun exploring the biblical principles of the Bible The manual is designed to give you a structure to break up your Bible study into manageable series Each series will take you a month to complete but some will take more based on the depth and maturity of your audiences This manual can also be used as personal devotional book as it contains the total truth necessary for living The main aim of this manual is to assist you in studying the Bible and help you build a firm foundation for your faith This manual also helps you to avoid theological error as we study to prepare ourselves for disciple making ministry and service 1 Timothy 4 16 admonishes Take heed unto thyself and unto the doctrine continue in them for in doing this thou shalt both save thyself and them that hear thee

assignments draw also on the books of Deuteronomy through Chronicles Several themes weave their way through the study  
the call to remember the call to repentance the need for renewed vision and the place of community The prophets and Paul  
are continually calling hearers and readers back to their God and to a sense of who they are as a people set apart
