Original Publication in 1950 *Bible Truths Unmasked* Finis J. Dake, Sr.,1987-01-01 Jesus Unmasked Todd
Friel,2014-09-05 Jesus Christ is the most famous man in human history but exactly who was He Some say a fable others think
just one option among many good teachers or even a nice guy who taught morals Do any of these descriptions capture the
totality of who He was Jesus Unmasked goes directly to the world s greatest expert on Jesus Christ Jesus Himself Who Jesus
said He was and why He said it the way He did What historical accounts and Biblical details reveal versus what we assume
Why 4000 years of history prophecy and chronology force every human being to render their verdict about this one man
When you encounter Jesus Unmasked you will not be ambivalent Jesus gives us clarity and insight into the nature of God
Interact with what Jesus taught about Himself and draw your own conclusions to the world s most important question Who is
the real Jesus **Aliens and the Antichrist** John Milor,2006-09 Aliens and the Antichrist is a riveting prophetic Bible
commentary highlighting over seven hundred scriptures documenting the existence relevance and significance of
extraterrestrial life While unfolding the enigma of extraterrestrial life learn the facts about the fall of Lucifer and his angelic
kingdom that once existed on Earth before Adam and Eve the rapture of the church the rise and fall of the Antichrist the
second coming of Christ and the millennial reign of Christ the Nephilim human angel hybrids of Genesis 6 and their
relationship with the Antichrist the realms of heaven and hell and the origin of dinosaurs Cro Magnon and Neanderthal
Numerous other topics are also touched upon such as civilizations on Mars and elsewhere in the universe the unique topic of
cosmic salvation the existence of Atlantis psychic abilities astral projection the existence of ghosts artificial intelligence and
more We of Earth are on the verge of the conclusion of an ancient war amid countless beings of unfathomable power a war
that has spanned across the eons across innumerable galaxies across dimensions and it s all coming to an end on this little
planet Soon the world will know that aliens are real but the truth about their existence is only the beginning For those
interested in receiving the full revelation from the Bible about who they are where they come from why they come and what
they want this is the book to read **The Voice of Creation** J. Hudson Mitchell,2016-02-16 This book is a compendium of
insights from sermons and books of great preachers of the Word of God It illuminates how God created the world in six days
following His blueprint It reveals that man is created in the image of God It explains the significance of the nation of Israel in
God s divine program It discloses the origin and effect of sin on all of humanity It disputes the atheistic opinions of the
existence of God It concludes with the fulfillment of God s plan as the King of Kings of the combined heaven and earth in the
New Jerusalem This book was written with the guidance of the Holy Spirit to bring some light to this darkening world As
Perry Como s song goes It is better to light just one little candle than to stumble in the dark *LIONHEART* Carl G.M.
Joseph Th.D.,2025-08-08 There is no sadder epitaph than I never became what I might have been In truth most people never

discover their true purpose because it can only be found in the mind of the Creator Communing with the Creator is the key to manifest destiny yet so few lions take the time For years now the Lions Unchained Podcast has challenged believers to unleash their God given destiny Many lions are caught up in the demands of the day to day scouring the savanna chasing down warthogs or taking care of the cubs Consequently purposeful living becomes an afterthought and the grind becomes the norm The purpose of this book is to activate God s call on your life and equip you to do so by revealing five key concepts which are foundational for Christian success No matter where you are in life it is never too late as far as God s concerned It is time to unleash the warrior within

The Church of God Mickey Crews,1990 This book delves into the remarkable rise of the Church of God a Pentecostal denomination born in the rural mountains of Tennessee and North Carolina at the turn of the twentieth century Emerging alongside the Populist movement the church offered a distinct spiritual response to the anxieties of a rapidly changing society The author meticulously traces the church s evolution from its humble beginnings to its current global reach exploring its unique theology strict moral code and the development of its hierarchical structure This journey unveils the intricate interplay between religious fervor social class and cultural context Through vivid accounts of early members experiences the book illuminates the church s appeal as a close knit community offering spiritual empowerment and a sense of belonging It also sheds light on the challenges faced by the church including internal conflicts and external persecution Ultimately this book offers a nuanced understanding of how the Church of God navigated the tensions between tradition and modernity carving out a space for itself in the American religious landscape Its insights into the dynamics of religious communities and the enduring power of faith resonate even today
