A to Z Christian Dream Symbols Dictionary John Mark Volkots, 2016-03-17 Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close Therefore it is imperative

and even critical for God's people to place themselves in a position to hear what He is speaking and directing us to do in these times. From the beginning of time, dreams have been a major way that God speaks to His people; therefore, it is important for us to understand the messages in the dreams that He gives us. Because dreams and visions are filled with symbolic language, it is essential to properly interpret what the symbols mean if we are to understand the message God is communicating to us through our dreams. There are many excellent Christian teachings on dream interpretation, and rather than bring forth material that is already available, my desire instead is to place in your hands over 2400 symbols, with most of them having a multitude of meanings to assist and train you in unlocking the mysteries of not only your dreams but also the dreams of others. Since it is God's voice alone we want to hear and understand, we have no interest in knowing how the world that is out of touch with God interprets dream symbols. Every interpretation must be God-derived; otherwise, we will not be receiving the truth of what He desires us to know. For that reason, the overwhelming majority of the symbol meanings found in this book are derived from the Bible, with the remainder sourced from tested Christian dream courses, teachers, and from interpreting the dreams of Christians. God desires you to know what He is speaking to you, so be encouraged that with the help of this book, you will be able to unlock the meanings and messages of your dreams.

Dreams Revealed: Handbook for Biblical Dream Interpretation Terri Meredith, 2015-08-10. Dreaming is a time when God has our undivided attention, and He can speak to us without us talking back or busying ourselves with something else that drowns out His voice. He uses dreams to tell us things about our purpose, prayers, character, and even hidden sin. An incredible amount of information is available to us in dreams if we will tap in to them and get understanding. As part of the Dreams Revealed series, the handbook for biblical dream interpretation provides the basic tools and information to get dreamers started understanding dreams. The book contains the scientific and spiritual basics of dreaming, an explanation of what to do with dreams, instructions for how to interpret dreams, and a dream symbol dictionary to explain the spiritual meanings behind words.

I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling. Ira Milligan.
