of Happiness Can he save the human race from the Next Big Thing Excerpt from the publisher s introduction to this revised 2018 edition We expect that the book will be ruthlessly suppressed by the corporations mentioned in it Not only will it be deleted from the internet it will become permanently irretrievable and invisible to all search engines in other words it will never have existed Thus we offer this first revised edition with the urgent recommendation that it be purchased immediately read quickly and committed to memory if any doubt remains in the reader s mind that the conditions described in the book are coming to pass Although the word comic has been omitted from the subtitle we hope that until the Satirical Singularity occurs and this will be a measure of how close that moment is the attentive reader will find something to smile at in the book
