Blott On The Landscape:

Blott On The Landscape Tom Sharpe, 2011-05-26 The landscape is flawless the trees majestic the flora and the fauna are right and proper All is picturesquely typical of rural England at its best Sir Giles an MP of few principles and curious tastes plots to destroy all this by building a motorway smack through it to line his own pocket and at the same time to dispose of his wife the capacious Lady Maude But Lady Maude enlists a surprising ally in her enigmatic gardener Blott a naturalised Englishman in whom adopted patriotism burns bright Lady Maude s dynamism and Blott s concealed talents enable them to meet pressure with mimicry loaded tribunals with publicity and chilli powder and requisition orders with wickedly spiked beer This explosively comic novel will gladden the heart of everyone who has ever confronted a bureaucrat and spells out in riotous detail how the forces of virtue play an exceedingly dirty game when the issue is close to home Blott on the Landscape Tom Sharpe, 1988 Lady Maud with help from Blott her Italian gardener is determined to save her ancestral home from her MP husband s schemes to make it the site of a new highway *Allen's Dictionary of English Phrases* Robert Allen, 2008-08-07 Allen s Dictionary of English Phrases is the most comprehensive survey of this area of the English language ever undertaken Taking over 6000 phrases it explains their meaning explores their development and gives citations that range from the Venerable Bede to Will Self Crisply and wittily written the book is packed with memorable and surprising detail whether showing that salad days comes from Antony and Cleopatra that flavour of the month originates in 1940s American ice cream marketing or even that we ve been calling a spade a spade since the sixteenth century Allen s Dictionary of English Phrases is part of the Penguin Reference Library and draws on over 70 years of experience in bringing reliable useful and clear information to millions of readers around the world making knowledge everybody s property Who Said That First? Max Cryer, 2010-04 Believe it or not this is probably the first book to attempt to identify the original sources of some of the English language s most common expressions We might think we know who first said famous for fifteen minutes annus horribilis the cold war and let them eat cake It s a no brainer you might say but Max Cryer has a surprise or two in store for you I kid you not In this very readable book he explores the origins of hundreds of expressions we use and hear every day and comes up with some surprising findings Never economical with the truth he might just have the last laugh We learn what they didn t say We are not amused Elementary my dear Watson Let them eat cake First catch your hare We learn that the Bible doesn t mention Salome or seven veils We learn about the origins of the infamous Mile High Club Written in Max Cryer s delightfully witty style WHO SAID THAT FIRST is a wonderful book to dip into or settle a friendly dispute Remember good books are few and far between and you get what you pay for So buy this book go ahead make my day Max Cryer is a writer entertainer and broadcaster who hosts a weekly radio slot on Radio Live on the quirks of the English language In a long career he has been a schoolteacher a compere and television host as well as a performer on the opera stage in London and in cabaret in Las Vegas and Hollywood Now a full time writer living in Auckland he has written many
