## **Agile Career Development Lessons And Approaches From Ibm:**

**Agile Career Development** Mary Ann Bopp,Diana Bing,Sheila Forte-Trammell,2009-08-17 Supercharge Performance by Linking Employee Driven Career Development with Business Goals How do you make career development work for both the employee and the business IBM has done it by tightly linking employee driven career development programs with corporate goals In Agile Career Development three of IBM s leading HR innovators show how IBM has accomplished this by illustrating various lessons and approaches that can be applied to other organizations as well This book is for every HR professional learning or training manager executive strategist and any other business leader who wants to create a high performing organization In the 21st century there will be an increasing competitive need for any company to operate as a globally integrated enterprise that can effectively develop and then tap the skills and capabilities of its workforce anywhere in the world In IBM we have worked to enable a workforce that is adaptive flexible and capable of responding to changes in the marketplace and the needs of our clients Agile Career Development shows how focusing on career development opportunities and guidance for employees is a key factor in our business strategy and a major source of value for IBM employees This book can be used as a guide to any organization that is seeking to find practical ways to develop the talent of its workforce J Randall MacDonald Senior Vice President IBM Human Resources This book highlights tried and true best practices developed at a company known the world over for active dedication to their workforce Mary Ann Diana and Sheila have captured the key issues that will enhance and streamline your career development program and subsequently increase employee engagement retention and productivity I particularly like their practical real life understanding of the barriers to most career development programs and the manageable framework to bring career growth to life They also teach us how to make a business case for career development critical in creating the foundation for a sustainable program This includes a good blend of benefits both for the individual employee and the organization as a whole I only wish I had this book available to me years ago when I was managing a career development program Jim Kirkpatrick Ph D author of Implementing the Four Levels of Transferring Learning to Behavior    **Being Agile** Leslie Ekas,Scott Will,2014 Break the Old Waterfall Habits that Hinder Agile Success Drive Rapid Value and Continuous Improvement When agile teams don t get immediate results it s tempting for them to fall back into old habits that make success even less likely In Being Agile Leslie Ekas and Scott Will present eleven powerful techniques for rapidly gaining substantial value from agile making agile methods stick and launching a virtuous circle of continuous improvement Drawing on their experience helping more than 100 teams transition to agile the authors review its key principles identify corresponding practices and offer breakthrough approaches for implementing them Using their techniques you can break typical waterfall patterns and go beyond merely doing agile to actually thinking and being agile Ekas and Will help you clear away silos improve stakeholder interaction eliminate waste and waterfall style inefficiencies and lead the agile transition far more successfully Each of their eleven principles can stand on its own when

you combine them they become even more valuable Coverage includes Building whole teams that cut across silos and work together throughout a product's lifecycle Engaging product stakeholders earlier and far more effectively Overcoming inefficient waterfalls and big batch waterfall thinking Getting past the curse of multi tasking Eliminating dangerous technical and project debt Repeatedly deploying release ready software in real user environments Delivering what customers really need not what you think they need Fixing the root causes of problems so they don't recur Learning from experience mastering continuous improvement Assessing whether you're just doing agile or actually being agile Being Agile will be indispensable for all software professionals now adopting agile for coaches managers engineers and team members who want to get more value from it and for students discovering it for the first time *Disciplined Agile Delivery* Scott W. Ambler, Mark Lines, 2012 The authoritative guide to DAD IBM's disciplined approach to applying agile practices in enterprise scale projects Integrate enterprise discipline with powerful widely used agile practices into a proven solution for the entire software lifecycle Scale agile strategies for complex development challenges without compromising agile's advantages

**Integrated Business Planning** Robert Kepczynski, Raghav Jandhyala, Ganesh Sankaran, Alecsandra Dimofte, 2018-05-31 This book presents a comprehensive introduction to Integrated Business Planning (IBP) building on practitioner's experience and showcasing the value gains when moving from disconnected planning to IBP. It also proposes a road map for the transformation of planning including technological initiatives, business priorities and organizational processes and demonstrates how to motivate different IBP stakeholders to work together when and how to connect strategic to be understood as long term SC. O tactical and operational planning and how to leverage functional and data integration features of SAP IBP. Real world business process use cases help to show the practical implications of implementing SAP IBP. Furthermore the book explores new capabilities talent acquisition and retention career development leadership IBP Center of Expertise A discussion of how disruptive technology trends like big data Internet of Things machine learning and artificial intelligence can influence IBP now and in the near future rounds out the book **Developing Talent for Organizational Results** Elaine Biech, 2012-01-24 Praise for *Developing Talent for Organizational Results* Elaine Biech brings together some of the royalty of American corporations and asks them to share their wisdom in increasing organizational effectiveness. In 46 information filled chapters these learning providers don't just sit on their conceptual thrones they offer practical advice for achieving company goals and the tools to make it happen Marshall Goldsmith million selling author of the New York Times bestsellers *MOJO* and *What Got You Here Won't Get You There* Recruiting developing inspiring engaging and retaining your talent are critical to the growth and success of all organizations *Developing Talent for Organizational Results* is a rich resource that can help you cultivate your most precious resource Tony Bingham CEO address training learning and engagement issues and shape the culture and care for your customers to achieve desired results **Work and Occupational Psychology** Lara Zibarras, Rachel Lewis, 2013-02-01 Written by a team of experts and with contributions from

seminal academics and leading practitioners Work and Occupational Psychology links theoretical learning with key practical skills to form an ideal companion to any student in the field Structured around the 8 core areas of Occupational Psychology to ensure a rounded overview Assumes no prior knowledge making it ideal for students studying Occupational Psychology for the first time Contemporary discussion including cutting edge research and reflections on the future Reflects a global workplace through discussion of international and cross cultural issues and a range of international case studies Engages critically with the subject to encourage analytical thinking Online learning aids include hints and tips for discussion questions online readings and chapter podcasts **Dr. Dobb's Journal**,2008 **Personnel Management Abstracts**,2000
