Effective School Interventions, Second Edition Natalie Rathvon, 2008-08-14 This highly practical resource and text presents 70 interventions that have been demonstrated to improve the classroom learning environment academic achievement and student behavior and social competence Each intervention is presented in a brief standardized format with step by step procedures that can easily be implemented by Pre K 12 teachers and other school based professionals The volume includes best practice guidelines for designing implementing and evaluating evidence based school interventions as well as strategies for combining multiple interventions to create a comprehensive program at the individual class or schoolwide level Handbook of Response to Intervention and Multi-Tiered Systems of Support Paige C. Pullen, Michael J. Kennedy, 2018-10-04 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention Effective School Interventions Matthew K.
