*Blood Ties* Brian McGilloway, 2021-03-25 An enthralling powerful and incredibly moving novel Irish Times *Blood Ties* is a compulsive police procedural but it's so much more than that thought provoking compassionate and beautifully written McGilloway is one of the finest crime writers working today Ann Cleeves Written in elegantly simple prose this novel is full of compassion Literary Review *Blood Ties* is one of those rare gems a beautifully written crime novel that's also brilliantly paced skillfully plotted and utterly absorbing Jo Spain Brian McGilloway's police procedurals are a masterclass in crime fictions Andrea Carter A clever engaging and beautifully crafted police procedural Irish Independent Some of the very best crime fiction being written today Lee Child on *Bad Blood* \_\_\_\_\_ How can a dead woman avenge herself on her killer twenty years after her murder This is the puzzle facing Ben Devlin in his latest case He is called to the scene of a murder a man has been stabbed to death in his rented room and when his identity is discovered Devlin feels a ghost walk over his grave as he knows the name Brooklyn Harris well As a teenager Harris beat his then girlfriend Hannah Row to death and then spent twelve years in prison for the murder As Devlin investigates the dead man's movements since his release it becomes apparent Harris has been grooming teenage girls online and then arranging to meet them But his activities have been discovered by others notably a vigilante who goes straight to the top of Devlin's list of suspects until he uncovers that Harris was killed on the anniversary of Hannah's death just too big a coincidence in Devlin's books So Hannah's family join the ever growing list of suspects being interviewed by his team And then forensics contact Devlin with the astounding news that blood found on Harris's body is a perfect match to that of Hannah Row's Yet how can this be the girl was murdered many years ago and Devlin doesn't believe in ghosts \_\_\_\_\_ Praise for Brian McGilloway This dazzling labyrinthine

debut impresses not only for the authentic depiction of a troubled community and the conflicts of a fallible detective but also for the intense portrait of the borderlands themselves as beautiful and terrible as the secrets they keep Guardian Poetic human and gripping reminded me of Bernard MacLaverty's early work Yes it's that good Ian Rankin McGilloway's *Borderlands* was one of last year's most impressive debuts Does Gallows Lane pass the feared second novel test Easily The Times McGilloway skilfully handles the tangled threads of a conspiracy surrounding an old crime to make a satisfying mystery with an attractive central character Sunday Telegraph Well written subtly characterised and intriguingly plotted Morning Star
