American Sniper Highest Grossing:

Focus On: 100 Most Popular 2010s Adventure Films Wikipedia contributors, **The Hero and the Victim** Gregory Brazeal, 2024-10-08 How American fiction represents soldiers and soldier criminality in depictions of the Iraq War **White Supremacy and the American Media** Sarah D. Nilsen, Sarah E. Turner, 2021-11-29 This volume examines the ways in which the media including film television social media and gaming has constructed and sustained a narrative of white supremacy that has entered mainstream American discourse With chapters by today's preeminent critical race scholars the book looks in particular at the ways media institutions have circulated white supremacist ideology across a wide range of platforms and texts that have had significant impact on shaping our current polarized and racialized social and political landscape Systematically scrutinizing every media platform this volume provides readers with an understanding of the ways in which media has provided institutional support for white supremacist ideology and presents them with the means to examine and analyze the persistence of these narratives within our racial discourse thus offering the necessary knowledge to challenge and transform these racially divisive and destructive narratives **White Supremacy and the American Media** will be of interest not only to scholars working in critical race studies and popular culture in the United States but also to those working in the fields of Film and Television Studies Sociology Geography Art History Communication and Media Studies Cultural Studies American Studies Popular Culture and Media Studies **Focus On: 100 Most Popular Drama Films Based on Actual Events** Wikipedia contributors, [The cultural politics of contemporary Hollywood film](#) Chris Beasley, Heather Brook, 2019-01-21 Adopting and developing a cultural politics approach this comprehensive study explores how Hollywood movies generate and reflect political myths about social and personal life that profoundly influence how we understand power relations Instead of looking at genre it employs three broad categories of film Security films present ideas concerning public order and disorder citizen state relations and the politics of fear Relationalities films highlight personal and intimate politics bringing norms about identities gender and sexuality into focus In socially critical films particular issues and ideas are endowed with more overtly political significance The book considers these categories as global political technologies implicated in hegemonic and soft power relations whose reach is both deep and broad **Imperial Benevolence** Scott Laderman, 2018-08-14 This is a necessary and urgent read for anyone concerned about the United States endless wars Investigating multiple genres of popular culture alongside contemporary U S foreign policy and political economy **Imperial Benevolence** shows that American popular culture continuously suppresses awareness of U S imperialism while assuming American exceptionalism and innocence This is despite the fact that it is rarely a product of the state Expertly coordinated essays by prominent historians and media scholars address the ways that movies and television series such as *Zero Dark Thirty* *The Avengers* and even *The Walking Dead* as well as video games such as *Call of Duty Black Ops* have largely presented the United States as a global force for good Popular culture with few exceptions has depicted the U S

as a reluctant hegemon fiercely defending human rights and protecting or expanding democracy from the barbarians determined to destroy it American Cinema of the 2010s Dennis Bingham,2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation s political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters at the expense of mid budget films while new players like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers As the movie business changed films ranging from American Sniper to Get Out found ways to speak to the concerns of a divided nation The newest installment in the Screen Decades series American Cinema in the 2010s takes a close look at the memorable movies visionary filmmakers and behind the scenes drama that made this decade such an exciting time to be a moviegoer Each chapter offers an in depth examination of a specific year covering a wide variety of films from blockbuster superhero movies like Black Panther and animated films like Frozen to smaller budget biopics like I Tonya and horror films like Hereditary This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions **Through the Crosshairs** Roger Stahl,2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper s gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions Through the Crosshairs traces the genealogy of this weapon s eye view across a wide range of genres including news reports military public relations images action movies video games and social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence Focus ,2016 **American Sniper** Chris Kyle,Scott McEwen,Jim DeFelice,2012-01-03 The 1 New York Times bestselling memoir of U S Navy Seal Chris Kyle and the source for Clint Eastwood s blockbuster Academy Award nominated movie An amazingly detailed account of fighting in Iraq a humanizing brave story that s extremely readable PATRICIA CORNWELL New York Times Book Review Jaw dropping Undeniably riveting RICHARD ROEPER Chicago Sun Times From 1999 to 2009 U S Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history His fellow American warriors whom he protected with deadly precision from rooftops and stealth positions during the Iraq War called him The Legend meanwhile the enemy feared him so much they named him al Shaitan the devil and placed a bounty on his head Kyle who was tragically killed in 2013 writes honestly about the pain of war including the deaths of two close SEAL teammates and in moving first person passages throughout his wife Taya speaks openly about the strains of war on their family as well as on Chris Gripping and unforgettable Kyle s masterful account of his
