American Sniper [DVD] Jason Hall, 2014

U.S. Navy SEAL Chris Kyle is sent to Iraq with only one mission to protect his brothers in arms. His pinpoint accuracy saves countless lives on the battlefield. However, his reputation is also growing behind enemy lines, putting a price on his head and making him a prime target of insurgents. He is also facing a different kind of battle on the home front, striving to be a good husband and father from halfway around the world.

Modern American Snipers Chris Martin, 2014-12-16

Most people think of snipers as shooters perched in urban hides, dealing out death unseen from a considerable distance. But this description barely scratches the surface. The author explains that special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren't pulling the trigger. These are the most experienced warriors on the battlefield, oftentimes the unit's best assaulters, with years of door kicking under their belt. These are the men who run ops in small teams across borders or dress like locals and pull off high-risk vehicle reconnaissance and singleton missions in non-permissive environments.

Chris Kyle: New Orleans Tim Higgins, 2015-05-05 In 2006, U.S. Navy SEAL Chris Kyle accepted his deadliest mission yet to protect the city of New Orleans from rapists, looters, and other criminals in the aftermath of Hurricane Katrina. Later, the mainstream media derided Kyle's heroism in Louisiana, claiming it was preposterous and unverifiable. This eye-opening account sets the record straight and it further secures the American Sniper's legacy as our nation's deadliest warrior.
