A Turbulent Voyage Floyd W. Hayes, 2000-05 This anthology is designed to introduce the reader to the contours and content of African American Studies The text and readings included here not only impart information but seek as their foremost goal to precipitate in the reader an awareness of the complex and changing character of the African American experience its origins developments and future challenges The book aims to engage readers in the critical analysis of a broad spectrum of subjects themes and issues ancient and medieval Africa Western European domination and African enslavement resistance to oppression African American expressive culture family and educational policies economic and political matters and the importance of ideas The materials included in this anthology comprise a discussion of some of the fundamental problems and prospects related to the African American experience that deserve attention in a course in African American

Studies African American Studies is a broad field concerned with the examination of the black experience both historically and presently Hence the subjects themes and issues included in this text transcend the narrow confines of traditional academic disciplinary boundaries In selecting materials for this book Floyd W Hayes was guided by a developmental or historical approach in the general compilation of each section s readings By doing so the author hopes that the reader will be enabled to arrive at a critical understanding of the conditions and forces that have influenced the African American experience A Collegiate Press book **Enduring Legacies** Arturo J. Aldama, Elisa Facio, Daryl Maeda, Reiland Rabaka, 2011-05-18 Traditional accounts of Colorado s history often reflect an Anglocentric perspective that begins with the 1859 Pikes Peak Gold Rush and Colorado s establishment as a state in 1876 Enduring Legacies expands the study of Colorado s past and present by adopting a borderlands perspective that emphasizes the multiplicity of peoples who have inhabited this region Addressing the dearth of scholarship on the varied communities within Colorado a zone in which collisions structured by forces of race nation class gender and sexuality inevitably lead to the transformation of cultures and the emergence of new identities this volume is the first to bring together comparative scholarship on historical and contemporary issues that span groups from Chicanas and Chicanos to African Americans to Asian Americans This book will be relevant to students academics and general readers interested in Colorado history and ethnic studies American Studies, 2002 *The African American Studies Reader* Nathaniel Norment, 2001 African American Studies is a unique field of scholarly inquiry and critical interpretation whose intellectual foundation and development have significantly influenced other disciplines in the academy The African American Studies Reader is the largest and most comprehensive anthology yet undertaken in the field A variety of perspectives are used to present the development of the discipline of African American Studies This volume s sixty one articles are organized into eight sections I The Discipline Definition and Perspectives II African American Women s Studies III Historical Perspectives IV Philosophical Perspectives V Theoretical Foundation VI Political Perspectives VII Critical Issues and Perspectives and VIII Curriculum Development and Program Models This comprehensive anthology includes key selections from many scholars who have made substantial contributions to the development of the discipline They argue many different perspectives and topics relevant to the study of African American Studies as an intellectual social and political focus in of higher education they provide discussions of the intellectual and academic roots of the field they describe the conditions that made its emergence possible they present its theoretical research ideological and philosophical paradigms and they examine the past present and future challenges of African American Studies The African American Studies Reader is an invaluable complement to basic books in the discipline and can be used as an introductory text for graduate and undergraduate courses in the field It provides an essential guide to enable students to understand how the field evolved the range of perspectives it encompasses and the challenge and future directions of African American Studies This outstanding collection of various perspectives in African American Studies will be

of interest to individuals new to the field as well as those already involved in research teaching and other aspects of African American Studies

Designing Worlds Kjetil Fallan, Grace Lees-Maffei, 2016-06 From consumer products to architecture to advertising to digital technology design is an undeniably global phenomenon Yet despite their professed transnational perspective historical studies of design have all too often succumbed to a bias toward Western industrialized nations This diverse but rigorously curated collection recalibrates our understanding of design history reassessing regional and national cultures while situating them within an international context Here contributors from five continents offer nuanced studies that range from South Africa to the Czech Republic all the while sensitive to the complexities of local variation and the role of nation states in identity construction Australasian Journal of American Studies ,2002

Mythmaking across Boundaries Züleyha Çetiner-Öktem, 2016-04-26 This volume explores the dynamics of myths throughout time and space along with the mythmaking processes in various cultures literatures and languages in a wide range of fields ranging from cultural studies to the history of art The papers brought together here are motivated by two basic questions How are myths made in diverse cultures and literatures And do all different cultures have different myths to be told in their artistic pursuits To examine these questions the book offers a wide array of articles by contributors from various cultures which focus on theory history space place philosophy literature language gender and storytelling Mythmaking across Boundaries not only brings together classical myths but also contemporary constructions and reconstructions through different cultural perspectives by transcending boundaries Using a wide spectrum of perspectives this volume instead of emphasising the different modes of the mythmaking process connects numerous perceptions of mythmaking and investigates diversities among cultures languages and literatures viewing them as a unified whole As the essays reflect on both academic and popular texts the book will be useful to scholars and students as well as the general reader

The Bloomsbury Handbook to the Medical-Environmental Humanities Scott Slovic, Swarnalatha Rangarajan, Vidya Sarveswaran, 2022-07-28 Bringing together two parallel and occasionally intersecting disciplines the environmental and medical humanities this field defining handbook reveals our ecological predicament to be a simultaneous threat to human health The book Represents the first collection to bring the environmental humanities and medical humanities into conversation in a systematic way Features contributions from a wide range of interdisciplinary perspectives including literary studies environmental ethics and philosophy cultural history and sociology Adopts a truly global approach examining contexts including but not limited to North America the UK Africa Latin America South Asia Turkey and East Asia Touches on issues and approaches such as narrative medicine ecoprecarity toxicity mental health and contaminated environments Showcasing and surveying a rich spectrum of issues and methodologies this book looks not only at where research currently is at the intersection of these two important fields but also at where it is going

From Walden Pond to Jurassic Park Paul Lauter, 2001-04-17 Explores the changes that have occurred in the field of American Studies over the past 40 years New Black Renaissance Manning

Marable, Adina Popescu, Khary Jones, Patricia Lespinasse, 2015-12-03 Against a backdrop of multiculturalism and Afrocentricity in the intellectual traditions of African American studies this book sets new standards and directions for the future It is the first book to systematically address the many themes that have changed the political and social landscape for African Americans Among these changes are new transnational processes of globalization the devastating impact of neoliberal public policies upon urban minority communities increasing imprisonment and attendant loss of voting rights especially among black males the surging of Hispanic population and widening class differences as deindustrialization crack cocaine and gentrification entered urban communities Marable and a cast of influential contributors suggest that a new beginning is needed for African American scholarship They explain why Black Studies needs to break its conceptual and thematic limitations exploring blackness in new ways and in different geographic sites They outline the major intersectionalities that should shape a new Black Studies the complex relationships between race gender sexuality class and youth They argue that African American Studies scholarship must help shape and redirect public policies that affect black communities working with government foundations and other private institutions on such issues as housing health care and criminal justice Catalog of Class Room Libraries for Public Schools ,1913 *Asian American Matters* Russell C. Leong, 2017 First national anthology to address post 9 11 issues around Asians Asian Americans South Asians and Muslims in relation to Asian American Studies and communities Bridge ,1978 *The Norton Anthology of American Literature* Robert S Levine, Michael A Elliott, Sandra M Gustafson, Amy Hungerford, Mary Loeffelholz, 2017-01-04 The most trusted anthology for complete works balanced selections and helpful editorial apparatus The Norton Anthology of American Literature features a cover to cover revision The Ninth Edition introduces new General Editor Robert Levine and three new generation editors who have reenergized the volume across the centuries Fresh scholarship new authors with an emphasis on contemporary writers new topical clusters and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students
