## American Wars Illusions And Realities:

American Wars Paul Buchheit,2010-04-20 When many Americans hear that the US may go to war against another nation they tend to believe there s probably a good reason for it or that no viable alternatives exist or they don t think about it at all They trust their leaders to represent them and defend their values They accept their leaders claims that war is to ensure their safety when others wish to harm them The parties of war play on Americans basic values to bring them online The media reassures them that the reasons for war are altruistic that Americans wish to spread democracy and allow others to adopt their way of life But is this the case With 24 compelling illustrations maps and graphs this book is intended to serve as a tool for peace advocacy Well known peace advocates respond to 19 of the most common illusions held by the American public which weaken their opposition to Washington s wars The American way of war offers a nonstop supply of illusions while imposing horrific realities far away and ultimately at home too This book is intent on dispelling key illusions and coming to terms with human realities Between the covers of American Wars the result is a compendium of insights and hard won knowledge of the sort you ll rarely find in the daily paper or the evening news The writers are myth busters who challenge the conventional lack of wisdom that drags the United States into one war after another and keeps us lethally mired in a warfare state This collection provides us with an array of vital perspectives opening up a crucial topic that usually remains shut down what American wars are doing to humanity under false pretenses and with calamitous results around the world and in our own neighborhoods The future is at stake This book helps us to understand the perils and opportunities of the present moment NORMAN SOLOMON author of War Made Easy     *Nuclear Illusion and Reality* Solly Baron

Lena Groß,2014-02-24 Seminar paper from the year 2013 in the subject Didactics for the subject English Literature Works grade 10 Johannes Gutenberg University Mainz language English abstract The filming of Bret Easton Ellis bestseller novel American Psycho caused a major scandal after its publication in 2000 Lee Brien It covers the story of the serial killer Patrick Bateman who enjoys a good reputation everywhere in Manhattan Bateman is a young athletic handsome successful and stereotypical 1980s yuppie who you are able to see in magazines journals advertising for Calvin Klein or Hugo Boss and on Wall Street On the other hand he murders rapes tortures mutilates and cannibalizes his victims but his cruel acts remain undetected At first sight Patrick s behavior seems very irritating because he neither provides the audience with any reasons for his murders nor with any psychological insight into his character to justify his actions Taking a closer look his behavior and violence are an expression of the materialistic superficial nature of the American society to which Bateman wants to belong and into which his sickness and inhumanity do actually fit Horsley 222 Although a lot of Bateman s brutal actions are shown at the end of the movie the audience comes to question if all these murders really happened because some

inconsistencies in his story become apparent e g Bateman outlines the murder of a man who at this point was not even in town Therefore the question is raised as to whether the murders are real or just a product of Bateman s imagination and if they are real is the society so over the top that not even the crime matters and he is able to escape unpunished In this paper this question and especially what the murders are about to express either way will be analyzed in view of social criticism Therefore first of all American society in the 1980s will be outlined to help the reader better understand the contemporary historical background to which the movie refers Subsequently the amoral materialism in American consumer society pictured in American Psycho will be described to clarify the social circumstances Bateman lives in Accordingly Bateman s cruel actions will be analyzed and its truth content will be discussed to later on conclude that this kind of society is not able to fulfill his life and by the help of violence Bateman wants to escape the conformity of America s superficial society
