Beware The Night Ralph Sarchie:

Beware the Night Ralph Sarchie, Lisa Collier Cool, 2001-10-14 A sixteen year NYPD veteran Ralph Sarchie works out of the 46th Precinct in New York's south Bronx. But it is his other job that he calls the Work investigating cases of demonic possession and assisting in the exorcisms of humanity's most ancient and most dangerous foes. Now he discloses for the first time his investigation into incredible true crimes and inhuman evil that were never explained, solved or understood except by Sarchie and his partner. Schooled in the rituals of exorcism and an eyewitness to the reality of demonic possession, Ralph Sarchie has documented a riveting chronicle of the inexplicable that gives a new shape to the shadows in the dark. In *Beware the Night* he takes readers into the very hierarchy of a hell on earth to expose the grisly rituals of a Palo Mayombe priest, a young girl whose innocence is violated by an incubus, a home invaded by the malevolent spirit of a supposedly murdered nineteenth century bride, the dark side of a couple who were literally the neighbors from hell, and more. Ralph Sarchie's NYPD revelations are a powerful and disturbing documented link between the true crime realities of life and the blood-chilling ice grip of a supernatural terror.

Laycock, Eric Harrelson, 2023-11-07 *The Exorcist Effect* examines the relationship between horror films and religious culture focusing on the period from 1968 to the present. Films like *Rosemary's Baby* 1968, *The Exorcist* 1973 and *The Omen* 1976 claimed to be based on actual events, religious traditions and Biblical texts. These films inspired subsequent beliefs and experiences which became the basis for yet more horror films. This book draws on archival research to shed new light on such figures as Ed and Lorraine Warren and Malachi Martin who inserted themselves into this cycle. It also incorporates interviews with horror authors, film writers and paranormal investigators.

Cross-Examined Films Matthew King, 2017-12-06 After spending nearly a quarter of a lifetime watching popular and independent films, Matthew King RN makes a point to criticize the

Christian church for its lack of engagement with films He believes that the lack of engagement and the strong denunciation of films only because of their sexual or violent content has lost an entire generation because of the inability to speak the millennial language of popular Hollywood films With searing prose and biting confrontation King attempts to engage films through the lens of theology philosophy and political analysis to assist the church in identifying positive as well as negative examples of the topics within to better engage an entire generation Through this investigation Christians and non Christians alike will be both enlightened and surprised at what popular films have unconsciously taught them from a young age

The Complete Book of Ghosts Paul

Roland, 2018-10-26 Ghosts and spirits populate the world around us. We just need to be sensitive or psychic enough to hear and see them. In this book, author Paul Roland examines a fascinating assortment of recorded sightings from as far back in history as Roman times. This serious look at ghosts presents them not as chain rattling spooks or clouds of cold swirling mist but as entities with which we share a greater reality. A comprehensive exploration of the realm of the supernatural from ghost ships and poltergeists to out of body experiences and the idea of spirits as the manifestation of people still living. The Complete Book of Ghosts will challenge your beliefs and preconceptions as never before. Hauntings Paul

Roland, 2022-10-01 Packed with chilling true stories and frightening first hand accounts, Hauntings is a fascinating investigation of the 21st century spirits that roam our cities, suburbs, and shopping malls. Paul Roland, author of The Complete Book of Ghosts and Investigating The Unexplained, unearths disturbing new evidence that reveals how restless spirits are not confined to crumbling castles and historic haunted houses. The dead are all around us, constantly trying to communicate, and now they have access through our computers, TVs, and even our mobile phones. The truth is more terrifying than anything seen on the movie screen. Read about the owners of a modern dream house who took their spectral squatter to court, the dead pilot who took the controls of a crippled aircraft, the ghostbusters who got more than they bargained for, and the murder victim who came back from the grave to put a killer behind bars. **The Publishers Weekly**, **American Book**
