Beyond Shame One:

Beyond Shame Matthias Roberts, 2020-01-07 All readers especially LGBTQ Christians will come away feeling energized and equipped for healthier sexuality without the weight of shame Publishers Weekly We all carry sexual shame Whether we grew up in the repressive purity culture of American Evangelical Christianity or not we've all been taught in subtle and not so subtle ways that sex outside of very specific contexts is immoral and taboo Psychotherapist Matthias Roberts helps readers overcome their shame around sex by overcoming three unhealthy coping mechanisms we use to manage that shame Beyond Shame encourages each of us to determine our own definition of healthy sex while avoiding the ditches of boundaryless sex positivity on the one hand and strict moralistic boundaries on the other Define your sexual values on your own terms overcome your shame and start having great healthy sex Beyond Shame (Beyond Series, Book 1) Kit Rocha, 2012-09 All Noelle Cunningham has ever wanted was a life beyond beyond her stifling role as a prim and proper councilman's daughter and beyond the walls of the patriarchal city of Eden the only remnants of safety in a world destroyed by solar storms decades earlier But when she's banished for violating the prohibition against immorality she's unprepared for the lawless world outside the city's walls The sectors surrounding Eden house those abandoned to fend for themselves men like Jasper McCray bootlegger and cage fighter Jas clawed his way up from nothing to stand at the right hand of Sector Four's ruthless leader and he'll defend the O Kane gang with his life But fighting hasn't prepared him for dealing with a sheltered City princess who falls at his feet Her innocence is undeniable but so is her intense sexual curiosity Soon they're exploring every dark fantasy she's ever been ashamed to have But if Noelle wants to claim her place with the O Kanes and at Jas's side she'll have to find the courage to embrace something even more terrifying than her own desires Her own power The Beyond Series is dystopian erotic romance While the books explore kink and sex with multiple partners in a dark and decadent world all sex between characters is 100% consensual **Beyond Shame** Patrick Moore, 2004 Patrick Moore boldly argues that the promiscuous gay men of the 1970s were actually artists and that AIDS derailed an esthetic community and sexual adventure This quietly personal book reclaims the past for young gay men and makes it useable Edmund White author of A Boy's Own Story A personal tender honest book about a past that can never be regained but must not be forgotten Sarah Schulman author of After Delores Patrick Moore reminds us of the extravagant creativity of gay self-fashioning in the 1970s in the hope that such historical awareness can help us bring about an extravagant creative gay future Carolyn Dinshaw Director of the Center for Gender Sexuality New York University Moore's exceptional study considers those men who fashioned an underground gay life that still resonates today Felice Picano author of Like People In History and a founding member of the Violet Quill Club **Life Beyond Shame: Rewriting the Rules** Connie Dawson, PhD, 2016-03-18 We've lived for eons with a set of rules guiding how we have relationships with one another These Old Rules have without question been inadvertently passed without examination from generation to generation by our families Its past time to expose them to the light of day

Why Together these Old Rules create a toxic environment we accept as inviolate We struggle against others and against ourselves not realizing that the shame based Old Rules hold us back from being who we are meant to be and doing what we are meant to do When feelings of undeserved shame something is wrong with us become part of how we think of ourselves two things are true 1 our true selves become more defended and less available to ourselves and others and 2 we become more easily manipulated to serve someone else's needs in ways that are not in our best interests That sense of shame and the Old Rules reinforce each other One look at them and it's easy to see how they make it difficult to have healthy relationships They are definitely not conducive to happiness We know better We just need to know how to do better one rule at a time Unmasking and replacing Old Rules with even one of the New Rules begins to change everything Change the rules change the game

The Self-Shaming God Who Reconciles Warner M. Bailey, 2013-06-10 Trust is at the heart of healthy relationships When trust is broken the victim is made to feel as nothing The Bible calls this experience of betrayal to be shamed When the victim names God as the betrayer those who exercise pastoral care in the church are faced with a spiritual crisis Pastors and those who exercise pastoral care are led through biblical study and theological reflection to insights that strengthen their role in the recovery of both the victims and the perpetrators of betrayal Central to this recovery is the solidarity of the self-shaming God with both victim and perpetrator At the cross shame reaches its most intense expression as Jesus voices his abandonment by God Centering this pivotal experience in a doctrine of the Trinity makes clear how shame defines the very core of the redemptive work of God as Father Son and Spirit Through the resurrection of Jesus God triumphs over shame and this vindication of God's integrity is the basis for the evangelistic preaching of the early church The Self-Shaming God Who Reconciles underscores how Scripture functions as a theological document when interpreted canonically

Crisis Ray Hennessey, 2024-04-01 Everybody messes up In relationships In business In life It s a fact of human nature that we re flawed People aren t inherently bad but humans tend to do a lot of bad things Everyone has engaged in behavior they re not proud of We all have secrets and we re all prone to traits and impulses we wish we didn t have History literature and music for centuries have given us examples of falls from grace tragedies and fatal flaws And then came the digital age With the proliferation of social media so much of our personal and professional behavior can suddenly find itself in the public view What we do personally affects us professionally and vice versa The human tendency to fail those who trust us has changed from a personal crisis to one with a large audience often clamoring for some measure of retribution As humans professionally and personally we find ourselves at risk of lasting reputational damage if we don t find a way to recover and move forward Beyond Sorry How to Own Up Make Good and Move Forward After a Crisis lays out the framework for people to offer sincere and lasting apologies that can help turn around their careers or personal lives in the digital age Redemption of one s reputation isn t easy It takes more than a simple apology That s what going beyond sorry means taking the extra steps to ensure you can fight all the hurdles in your way Beyond Sorry explores the steps one needs to take to move forward including finding the right words delivering the message with credibility taking ownership of our actions and behaviors and living a life that shows those around us that we re worthy of another chance **Fortnightly Review** ,1911 **The London** ,1919

often struggle to come to terms with the loss of their husbands It is also a very helpful resource to married couples as they discover the true meaning of marriage and the importance of placing God at the centre of their lives Dr Jeff van Wyk
