Women's Labour Activism in Eastern Europe and Beyond Selin Çağatay, Mátyás Erdélyi, Alexandra Ghiț, Olga Gnydiuk, Veronika Helfert, Ivelina Masheva, Zhanna Popova, Jelena Tešija, Eszter Varsa, Susan Zimmermann, 2025-08-26 This collaborative monograph presents a deeply researched inclusive history of women's labour activism in Eastern Europe Austria Turkey and transnationally It explores women's activism and organizing to improve the working conditions and living circumstances of lower income and working class women and their communities in the region and internationally Moving beyond the celebratory or partisan perspectives of many classical and some feminist labour histories Women's Labour Activism in Eastern Europe and Beyond provides a careful historicization of women's actions in a multiscalar perspective The authors follow women aligned with a wide range of political persuasions highlighting unexpected elements and continuities of women's labour activism Women's activities are seen in the workplace in the everyday within and across social movements and organizations and inside the state They are presented through a framing that spotlights long term developments and bridges the divide between the literatures on gendered labour politics and activism in state socialist and capitalist societies The authors examine activism unfolding in the region and the role of activists from the region within international women's labour and inter state organizations Moving women's labour activism from the margins of labour gender and European history to the centre of historical study the volume makes an innovative contribution to the new global histories of labour and gender

Beyond Exception Ahmed Kanna, Amélie Le Renard, Neha Vora, 2020-08-15 Over the nearly two decades that they have each been conducting fieldwork in the Arabian Peninsula Ahmed Kanna Amélie Le Renard and Neha Vora have regularly encountered exoticizing and exceptionalist discourses about the region and its people political systems and prevalent cultural practices These persistent encounters became the springboard for this book a reflection on conducting fieldwork within a field that is marked by such representations The three focus on deconstructing the exceptionalist representations that circulate about the Arabian Peninsula They analyze what exceptionalism does how it is used by various people and how it helps shape power relations in the societies they study They propose ways that this analysis of exceptionalism provides tools for rethinking the concepts that have become commonplace structuring narratives and analytical frameworks within fieldwork in and on the Arabian Peninsula They ask What would not only Middle East studies but studies of postcolonial societies and global capitalism in other parts of the world look like if the Arabian Peninsula was central rather than peripheral or exceptional to ongoing sociohistorical processes and representational practices The authors explore how the exceptionalizing discourses that permeate Arabian Peninsula studies spring from colonialist discourses still operative in anthropology and sociology more generally and suggest that de exceptionalizing the region within their disciplines can offer opportunities for decolonized knowledge production

Transforming Unequal Gender Relations in India and Beyond Saroj Pachauri, Ravi K. Verma, 2023-09-08 This book offers a unique intersectional perspective on gender

equality SDG5 It presents an intersection of gender with caste class region ethnic and sexual identities and other structural drivers of inequalities in various development sectors It presents case studies and empirical findings from development practice and policymaking and highlights the challenges to implementing SDG5 in practice It discusses policies to promote gender equality and prevent violence against women and girls and women in decision making and leadership positions The chapters restate that gender equality is possible only if unequal gender norms are transformed to recognize women and girls as independent economic entities and not merely homemakers providing unpaid care It also analyzes to deconstruct the idea of monolithic masculinity to recognize gender diversity and men's role in providing care The book shows how much has been achieved yet how far is also left to go It is an essential reference point for researchers policymakers students and scholars across gender studies women's studies and sociology **Transcultural Feminist Philosophy** Yuanfang

Dai,2019-12-30 The question of difference how to accommodate the complexity and diversity of women's experiences remains a central point of reference in debates among feminist thinkers In *Transcultural Feminist Philosophy Rethinking Difference and Solidarity Through Chinese American Encounters* Yuanfang Dai addresses influential approaches to the feminist difference critique Acknowledging that gender oppression assumes different forms in different social and cultural locations Dai denies that this rules out generalizing about women's experiences She proposes a category of women that captures and respects differences and dynamics among women and that can inform possibilities for women in the future Through a critical examination of multicultural and postcolonial feminisms she argues that we need both to rethink the concept of culture and to rework multiculturalism as an analytical and political idea Developing a notion of transculturalism she draws on Chinese feminist scholarship as she explores how a transcultural approach can address tensions between cultural differences and feminist solidarity Transcultural thought and action offers a new way to explore the conditions of women's collective struggles Gender and Information Technology: Moving Beyond Access to Co-Creat Global Partnership Kirk,

Mary,2008-09-30 This book explores the decline in female involvement in technology and other discrimination related to the industry Provided by publisher **Beyond Tradition and Modernity** Grace Fong,Nanxiu Qian,Harriet Zurndorfer,2004-02-01 *Beyond Tradition and Modernity* is a collection of original essays which considers the complexities behind the dramatic changes generated in China during the last decades of the nineteenth and the first decades of the twentieth century As men and women literally or metaphorically crossed into new geographical worlds they came to express their understanding of the expanding universe in a variety of ways which cannot be neatly labeled either traditional or modern The contributors to this volume demonstrate how the creativity of these writers marked a new moment in historical and literary practices transcending this usual binary and simple teleology Their essays expose how the ethnographic literary and educational projects of these men and women gave voice to new ideals and ideas that reflect the changing boundaries of gender at this time Beyond Sex Roles Alice G. Beyond Divide Women Learning Other: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Beyond Divide Women Learning Other : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
