## **Beyond Integrity A Judeo Christian Approach To Business Ethics:**

Beyond Integrity Scott Rae, Kenman L. Wong, 2009-05-26 Integrity is essential to Judeo Christian business ethics. But today's business environment is complex. Those in business and those preparing to enter the business world need to grapple with the question of how integrity and biblical ethics can be applied in the workplace. They need to go beyond integrity in their thinking. Beyond Integrity is neither excessively theoretical nor simplistic and dogmatic. Rather it offers a balanced and pragmatic approach to a number of concrete ethical issues. Readings from a wide range of sources present competing perspectives on each issue and real life case studies further help the reader grapple with ethical dilemmas. The authors conclude each chapter with their own distinctly Christian commentary on the topic covered. This third edition has been revised to provide the most up to date introduction to the issues Christians face in today's constantly changing business culture. Revisions include 30 new case studies, 13 new readings, 50% substantially revised sidebars that reflect the issues in the news and business press summaries and material for discussion.
