The Films of Clint Eastwood Matt Wanat,Leonard Engel,2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses

of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work. As a collection, these essays show that none of these themes account for Eastwood's entire vision, which is multifaceted and often contradictory, dramatizing complex issues in powerful character-driven narratives. RICHARD ROEPER Chicago Sun Times From 1999 to 2009 U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors whom he protected with deadly precision from rooftops and stealth positions during the Iraq War called him The Legend; meanwhile, the enemy feared him so much they named him al-Shaitan, the devil, and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war, including the deaths of two close SEAL teammates, and in moving first-person passages throughout his wife Taya speaks openly about the strains of war on their family as well as on Chris.
