## American Sniper Ending Song:

**After Kubrick** Jeremi Szaniawski,2020-02-20 Taking at its starting point the idea that Kubrick's cinema has constituted an intellectual cerebral and philosophical maze in which many filmmakers as well as thinkers and a substantial fringe of the general public have gotten lost at one point or another this collection looks at the legacy of Kubrick's films in the 21st century The main avenues investigated are as follows a look at Kubrick's influence on his most illustrious followers Paul Thomas Anderson the Coen Brothers Christopher Nolan Ridley Scott and Lars von Trier to name a few Kubrick in critical reception Kubrick in stylistic camera movements set designs music thematic artificial intelligence new frontiers large and small aesthetic the question of genre pastiche stereoscopy and political terms paranoia democracy and secret societies conspiracy theories The contributions coalesce around the concept of a Kubrickian substrate rich and complex which permeates our Western cultural landscape very much to this day informing and sometimes announcing reflecting it in twisted ways 21 years after the director's death

**The Obama Legacy** Bert A. Rockman,Andrew Rudalevige,2019-05-31 Hope and change were the keywords of President Barack Obama's 2008 campaign and in his farewell address on January 10 2017 he cited the evidence that he'd delivered from reversing the Great Recession rebooting the auto industry and unleashing the longest stretch of job creation in the nation's history to winning marriage equality and securing the right to health insurance for another 20 million citizens At the same time and with a view to the country's divisive polarization he made a plea for the decency of our people and the sense of common purpose that we so badly need right now In hindsight it is increasingly possible to understand whether and how Obama's legacy matched his rhetoric as well as to evaluate from various angles what his presidency accomplished and what this has meant for US politics public policy and civic life going forward In *The Obama Legacy* some of the leading observers and scholars of US politics take up this challenge In twelve essays these writers examine Obama's choices operating style and opportunities taken and missed as well as the institutional and political constraints on the president's policy agenda What were Obama's personal characteristics as a leader What were the policy aspirations output and strategy of his presidency What was his role as a political and public leader to the various constituencies needed to generate presidential power And how did his presidency interact with other political forces Addressing these questions and others the authors analyze Obama's preferences tactics successes and shortcomings with an eye toward balancing the personal and institutional factors that underlie each all the while considering how resilient or fragile Obama's legacy will be in the face of the Trump administration's eager efforts to dismantle it

**Propaganda & Persuasion** Garth S. Jowett,Victoria O'Donnell,2018-08-24 Reflecting the remarkable changes in the world of propaganda due to the increasing use of social media this updated Seventh Edition provides a systematic introduction to the increasingly complex world of propaganda Viewing propaganda as a form of communication the authors help readers understand information and persuasion so they can understand the characteristics of propaganda and how it works as a communication

process Providing provocative case studies and fascinating examples of the use of propaganda from ancient times up through the present day Propaganda and Persuasion provides an original model that helps students analyze the instances of propaganda and persuasion they encounter in everyday life New to the Seventh Edition New coverage of social media as a disseminator of propaganda offers readers an up to date perspective The book's four case studies have been updated and strengthened to demonstrate their relevance not only to past and contemporary culture but also to the study of propaganda campaigns New coverage of how a propaganda case study can be structured to reveal the components of a campaign allows students to compare strengths and weaknesses across different types of campaigns and evaluate the relative success of various propaganda strategies Updated research on persuasion and expanded coverage of collective memory as it appears in new memorials and monuments enhances the presentation Current examples of propaganda especially the ways it is disseminated via the Internet deepen student understanding New illustrations and photos add a unique visual dimension that helps readers conceptualize methods of persuasion and propaganda

*Hollywood War Films, 1937-1945* Michael S. Shull, David Edward Wilt, 2015-09-03 From 1937 through 1945 Hollywood produced over 1 000 films relating to the war This enormous and exhaustive reference work first analyzes the war films as sociopolitical documents Part one entitled The Crisis Abroad 1937-1941 focuses on movies that reflected America's increasing uneasiness Part two Waging War 1942-1945 reveals that many movies made from 1942 through 1945 included at least some allusion to World War II
