Norako, 2024-08-15 *Monstrous Fantasies* asks why medieval romances reimagining the crusades ending in a Christian victory circulated in England with such abundance after the 1291 Muslim reconquest of Acre the last of the Latin crusader states in the Holy Land and what these texts reveal about the cultural anxieties of late medieval England Leila K Norako highlights the impact that the Ottoman victory and subsequent massacre of Christian prisoners at the battle of Nicopolis in 1396 had on intensifying the popularity of what she calls recovery romance These two episodes inspired a sense of urgency over the fate of the Holy Land and of Latin Christendom itself resulting in the proliferation of romances in which crusading English kings like Richard I and anachronistic legends like King Arthur not only reconquered Jerusalem but committed genocidal violence against the Muslims These romances which as Norako argues also influenced Geoffrey Chaucer s *Canterbury Tales* conjure fantasies of an ascendant global Christendom by rehearsing acts of conquest and cultural annihilation that were impossible to realize in the late Middle Ages Emphasizing the tension in these texts between nostalgia and anticipation that fuels their narrative momentum *Monstrous Fantasies* also explores how the cultural desires for European and Christian hegemony that recovery romances versified were revived in the wake of the so called wars on terror in the twenty first century in such films as *Kingdom of Heaven* and *American Sniper* *American Wife* Taya Kyle, Jim DeFelice, 2015-05-04 The widow of *American Sniper* Chris Kyle shares their private story an unforgettable testament to the power of love and faith in the face of war and unimaginable loss and a moving tribute to a man whose true heroism ran even deeper than the legend In early 2013 Taya Kyle and her husband Chris were the happiest they ever had been Their decade long marriage had survived years of war that took Chris a U S Navy SEAL away from Taya and their two children for agonizingly long stretches while he put his life on the line in many major battles of the Iraq War After struggling to readjust to life out of the military Chris had found new purpose in redirecting his lifelong dedication to service to supporting veterans

and their families Their love had deepened and most special of all their family was whole finally Then the unthinkable On February 2 2013 Chris and his friend Chad Littlefield were killed while attempting to help a troubled vet The life Chris and Taya fought so hard to build together was shattered In an instant Taya became a single parent of two A widow A young woman facing the rest of her life without the man she loved Chris and Taya s remarkable story has captivated millions through Clint Eastwood s blockbuster Academy Award winning film American Sniper starring Bradley Cooper as Chris and Sienna Miller as Taya and because of Chris s bestselling memoir in which Taya contributed passages that formed the book s emotional core Now with trusted collaborator Jim DeFelice Taya writes in never before told detail about the hours days and months after his shocking death when grief threatened to overwhelm her Then there were wearying battles to protect her husband s legacy and reputation And yet throughout friendship family and a deepening faith were lifelines that sustained her and the kids when the sorrow became too much Two years after her husband s tragic death Taya has found renewed meaning and connection to Chris by advancing their shared mission of serving those who serve others particularly military and first responder families She and the children now are embracing a new future one that honors the past but also looks forward with hope gratitude and joy American Wife is one of the most remarkable memoirs of the year a universal chronicle of love and heartbreak service and sacrifice faith and purpose that will inspire every reader *Killing Silently* Edgar Wollstone, An American sniper and his friend are shot dead at an isolated ranch by a fellow marine The United States of America is shocked Chris Kyle was no ordinary man he was a legend His illustrious sniping career lasted a decade and has as many as 160 confirmed kills Kyle s stupendous performance in the Iraq War was so badass that the insurgents called him the Devil of Ramadi The untimely and cruel death of Chris Kyle America s sniping hero and legend the loving husband of Taya the doting father to his children is a reality that his family has to deal with every single day for the rest of their lives He is no more but he shall live through their memories in the hearts of millions as a hero and a super human who left this world all too quickly His brother Jeff Kyle takes his legacy forward and continues to help withhold his life s mission of helping veterans Through his family Kyle s memories stay alive Kyle s widow Taya Kyle shares in her social media account how Kyle had brought life to her serious face how they celebrated their birthdays how Kyle smashed cakes on her face and chased the kids around on weekends He was a happy man to have returned to his family He was glad that he could see his children every day and they were happy to have their hero dad with them every day He made them burst into laughter every time he hit their pi ata and when the candy pieces scattered and stuck to the cars that were parked in the alleyway Kyle would behave like a mischievous kid Taya has moved on so has the children but Kyle will remain a pain in their hearts for all their lives They cannot hold him in their arms anymore they cannot hug him or feel his warmth anymore All they have are the few pictures of the past and the glittering memories of a life lived so many years ago **American Sniper [DVD]** Jason Hall, 2014 U S Navy SEAL Chris Kyle is sent to Iraq with only one mission to protect his brothers in arms His pinpoint accuracy saves countless lives on the

the production of the movie American Sniper based on the life of Chris Kyle who served as a sharp shooter in Iraq
consecutively for about four periods Sharp shooter is the less common term to describe snipers whose role in history started
in the World War Famous snipers have since emerged forming part of the elite Navy Seals While some people refer to snipers
as cowards because they do seem to not be actively engaged in combat they have been hailed as heroes due to the reduced
misses during combat and the flexibility of their attack to rely on stealth American snipers have played a huge role in
eliminating some of the terrorists bent on causing terror around the world Snipers are originally meant to increase the
chances of winning a war They do this by neutralizing the most dangerous people in war from a concealed distance and
