Edward Hendrie, 2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been

proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it

School World Order John Adam Klyczek, 2019-10-11 For more than twenty years Charlotte Thomson Iserbyt has been warning the American people of the New World Order stratagem to overthrow democratically elected school boards with public private partnerships between the federal government and globalist corporations In this volume John Klyczek expounds on Iserbyt's theories by tracing her work to the present moment as a last ditch effort to stop the corporatization of education Klyczek explores how the infamous Yale Secret Society Skull and Bones utilized Robber Baron philanthropy and stimulus response psychological conditioning to institute a corporatist system of workforce training for a fascistically planned economy He then explains how this system is being upgraded to a technocratic education system of corporatist school choice through virtual education technologies that program students for a globally planned economy School World Order will teach you the ulterior agenda behind the ed tech movement data mining students for research and development into artificial intelligence and transhumanist biotechnologies for the establishment of an authoritarian post human society

Bloody Zion Edward Hendrie, 2012 Jesus told Pontius Pilate My kingdom is not of this world John 18:36 God has a spiritual Zion that is in a heavenly Jerusalem Hebrews 12:22 Revelation 21:10 Jesus Christ is the chief corner stone laid by God in Zion 1 Peter 2:6 Those who believe in Jesus Christ are living stones in the spiritual house of God 1 Peter 2:5 Ephesians 2:20-22 Believers are in Jesus and Jesus is in believers John 14:20-17:20-23 All who are elected by God to believe in Jesus Christ are part of the heavenly Zion without regard to whether they are Jews or Gentiles Romans 10:12 Satan is a great adversary of God who has created his own mystery religions During the Babylonian captivity 2 Chronicles 36:20 an occult society of Jews replaced God's commands with Satan's Babylonian dogma Their new religion became Judaism Jesus explained the corruption of the Judaic religion Howbeit in vain do they worship me teaching for doctrines the commandments of men Mark 7:7 Jesus revealed the Satanic origin of Judaism when he stated Ye are of your father the devil and the lusts of your father ye will do John 8:44 Babylonian Judaism remains the religion of the Jews today Satan has infected many nominal Christian denominations with his Babylonian occultism which has given rise to Christian Zionism Christian Zionism advocates a counterfeit earthly Zion within which fleshly Jews take primacy over the spiritual church of Jesus Christ This book exposes Christian Zionism as a false gospel and subversive political movement that sustains Israel's war against God and man

Freedom Justice Community John G Root Jr, 2024-06-12 Money makes the world go round This should be Money goes round the world We have a world economy that could be benefiting everyone Money is like manure it is only good when it is spread around Everyone's work needs to be fertilized with the right amount of money for society to be

healthy Money is the root of all evil or the love of money is the root of all evil Do we assume that the problem is human nature not money itself This book demonstrates that the problem is not human nature and it is not money itself The problem is who issues the money how it is issued and what it is issued for Monetary reform is necessary but not sufficient to bring about the world we know in our hearts To bring about the world we know in our hearts we must share that knowing with each other This book aims to show that when the individual is Free to express the love that wells up naturally to fulfill their life's purpose when society is Just because it is based on the people's active consent and participation in adjudicating remediating harm and when everything that the people provide each other to satisfy their needs and desires is the result of a voluntary initiative inspired and supported by the Community and funded as a right then the individual will be sovereign and will be creating contributing to and maintaining a society that benefits everyone *Invertebrate America* E.
