## **Amnesty Report 2014 15 International:**

**The Responsibility to Protect, Second Edition** Sonja Grover,2025-02-26 This book presents the views of various international law and human rights experts on the contested meaning scope of application value and viability of R2P the principle of the Responsibility to Protect R2P R2P refers to the notion that the international community has a legal responsibility to protect civilians against the potential or ongoing occurrence of the mass atrocity crimes of genocide large scale war crimes ethnic cleansing and crimes against humanity R2P allows for intervention where the individual State is unable or unwilling to so protect its people or is in fact a perpetrator The book also addresses the controversial issue of whether intervention by States implementing R2P with or without the endorsement of the United Nations Security Council constitutes a State act of aggression or instead is legally justified and not an infringement on the offending State's sovereign jurisdiction The adverse impact on global peace and security of the failure to protect civilians from mass atrocity crimes has put in stark relief the need to address anew the principle of responsibility to protect and the feasibility and wisdom of its application and this book is a significant contribution to that effort This second edition comes with an updated Introduction and a new Afterword making it an invaluable resource for scholars policymakers human rights advocates and students of law and international relations seeking to deepen their understanding of a principle that is vital to safeguarding human rights in our world today This book was originally published as a special issue of the International Journal of Human Rights

**The Responsibility to Protect** SONJA GROVER,2018-03-08 This book presents the views of various international law and human rights experts on the contested meaning scope of application value and viability of R2P the principle of the Responsibility to Protect R2P refers to the notion that the international community has a legal responsibility to protect civilians against the potential or ongoing occurrence of the mass atrocity crimes of genocide large scale war crimes ethnic cleansing and crimes against humanity R2P allows for intervention where the individual State is unable or unwilling to so protect its people or is in fact a perpetrator The book addresses also the controversial issue of whether intervention by States implementing R2P with or without the endorsement of the United Nations Security Council constitutes a State act of aggression or instead is legally justified and not an infringement on the offending State's sovereign jurisdiction The adverse impact on global peace and security of the failure to protect civilians from mass atrocity crimes has put in stark relief the need to address anew the principle of responsibility to protect and the feasibility and wisdom of its application and this book is a significant contribution to that effort This book was originally published as a special issue of the International Journal of Human Rights

**The Right to Food Guidelines, Democracy and Citizen Participation** Katharine S. E. Cresswell Riol,2016-11-10 It is now more than a decade since the Right to Food Guidelines were negotiated agreed and adopted internationally by states This book provides a review of its objectives and the extent of success of its implementation The focus is on the first key guideline Democracy good governance human rights and the rule of law with an emphasis on civil society participation in

global food governance The five BRICS countries Brazil Russia India China and South Africa are presented as case studies representing major emerging economies they blur the line between the Global North and South and exhibit different levels of human rights realisation The book first provides an overview of the right to adequate food accountability and democracy and an introduction to the history of the development of the right to adequate food and the Right to Food Guidelines It presents a historical synopsis of each of the BRICS states experiences with the right to adequate food and an analysis of their related periodic reporting to the Committee on Economic Social and Cultural Rights as well as a specific assessment of their progress in regard to the first guideline The discussion then focuses on the effectiveness of the Right to Food Guidelines as both a policy making and monitoring tool based on the analysis of the guidelines and the BRICS states
