*The Life* Bethany-Kris,2014-08-02 The mafia life is a dangerous one revolving around honor duty and greed a troublesome thing like love isn't meant to play a part but no one follows the rules Surrounded by men waiting for the Russian mob boss to show weakness Anton Avdonin should have known showering affection so openly on his new bride wasn't a good idea Of course that didn't stop him When Anton's wife begins attracting unwanted attention from an unknown source he's determined to find out just who is playing the risky game and put a stop to it by whatever means necessary From a Cosa Nostra princess to a Bratva queen Viviana Vine Avdonin was made for the life Pregnant safe and loved she's more than happy to move on from the history that haunts her to start out fresh Then again someone else has other plans Old rivals from the past and bad blood from the present have mixed in the worst way threatening to take away the things Viviana loves the very most No matter what she can't let that happen Both Viviana and Anton know there's only one way this can all end and it's up to them to do it But who is behind the veiled threats and personal attacks and how far are they willing to go to get what they want When the truth finally surfaces the consequences will be devastating and no one could have seen it coming In a life where everybody plays for keeps and no one fights fair one mistake might cost them everything **The Arrangement**

Bethany-Kris,2014-03-17 Nothing will stop the Bratva mob boss from taking back what's his and once he has her he'll do anything to keep her Viviana Vine Carducci's and Anton Avdonin's marriage was decided more than two decades ago The deal between leading mafia families has more on the line than anyone knew even if the Bratva and Cosa Nostra shouldn't mix When Vine's family is murdered and she's left with nothing more than her grief to survive the mob world alone she believes the arrangement won't see the light of day Anton can't allow the one woman he was supposed to love get away At the possibility of her death he steps in to save her with guns blazing knowing exactly what it might cost him everything But it's been nearly a decade since their last meeting and he can't help but wonder if the woman he took back is the same girl he fell for all those years before Protected and loved Vine is unable to forget their shared moments a lifetime ago or the future she knows they're owed When an old flame of Anton's shows up to rip the veil off the carefully constructed secrets he'd been hiding she learns that nothing about her life is as it seems But that's nothing compared to the bomb about to blow Can Vine see beyond the pain and blood to take what she always wanted And just how far will the mob prince go to keep her safe In a world where violence deceit and greed reign your life is not your own and sometimes love has to be arranged Sensuality Level Spicy Forever
