Bette Midler Still Divine:

Bette Midler Mark Bego,2002-11-08 Bego's biography of the Divine Miss M covers the singer and actress's life from her early years in Hawaii where she was born to her current standing among the entertainment elite Midler's career as a brassy and bawdy nightclub act moved up a rung when her cover of Boogie Woogie Bugle Boy entered the Top Ten in 1972 By 1979 she had earned an Oscar nomination and a Grammy for her contributions to the film *The Rose* Since then she has won over audiences with her performances in *Down and Out in Beverly Hills* *Ruthless People* *Beaches* and *The First Wives Club* and earned a second Oscar nomination for *For the Boys* As a singer she's scored successes with *From a Distance* and the number one single *Wind Beneath My Wings* Fans of this all around entertainer who continues to appear in films and record music will find that Bette Midler is the authoritative resource on the star's life *The Divine Bette Midler* James Spada,1984

Forgotten Disney Kathy Merlock Jackson,Carl H. Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re-establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory *Women in Music*

Karin Pendle,Melinda Boyd,2012-07-26 *Women in Music* A Research and Information Guide is an annotated bibliography emerging from more than twenty five years of feminist scholarship on music This book testifies to the great variety of subjects and approaches represented in over two decades of published writings on women their work and the important roles that feminist outlooks have played in formerly male oriented academic scholarship or journalistic musings on women and music

A View from A Broad Bette Midler,2014-04-01 Bette Midler also known as Divine Miss M the indomitable and incomparable singer actor and musical theater extraordinaire with a career spanning almost half a century revisits her classic memoir now with a new introduction This book was a kind of last hurrah When I read it I hear a disarmingly younger sweeter voice I am not sure that this little confection captures a whole time but I think it's an accurate picture of the spirit and tone of what I was doing in those days I hope it holds up and that you find your best younger self in it as I do With her brassy voice and bold performances making the world finally pay attention this ambitious Jewish girl from Hawaii needs no introduction Grammy award winning singer Academy Award nominee Broadway star of her critically acclaimed one woman show and beloved actress in *The Rose* *Beaches* and *Down and Out in Beverly Hills* Bette Midler is a household name whose
