Between Places Where Night Falls:

Night Falls on Damascus Frederick Highland, 2006-12-12 A crime of passion brings on a harrowing criminal investigation in a divided land Set in the exotic and turbulent world of Syria in the 1930s *Night Falls on Damascus* tells the story of a French Syrian police inspector Nikolai Faroun caught up in a complex murder investigation of a beautiful and controversial woman from a prominent Damascus family Vera Tamiri made enemies for her good works as well as her cosmopolitanism On one hand was she was a social reformer who had tried to advance the health and welfare of Arab women in a volatile community hemmed in by custom and hostile to social change However Vera had a shadowy side she cultivated a Bohemian pose gambled recklessly and was not always wise in her choice of companions and lovers Faroun suspects that she may have fallen victim to a gruesome crime of passion However he soon realizes that there is more to this crime than a jealous lover In a country chafing under foreign rule and divided by sectarian strife Vera Tamiri made a tempting political target In a city seething with anger and revolt Inspector Faroun begins unraveling a conspiracy from Syria's troubled past a secret that Vera may have uncovered at the cost of her life As the elements of a sinister and elusive crime bubble to the surface Faroun must be careful not to bring to light secrets of his own the real reason for his presence in Damascus and a compromising relationship with the beautiful and willful wife of a well connected French businessman All games in the end must be played against the dark backdrop of a city that has been the center of Middle Eastern intrigue for millennia the stony ground where Cain slew Abel where Saladin once ruled and where Nikolai Faroun must discover the key to the murder of a courageous woman who dared to disturb the ancient order A gripping murder mystery *Night Falls on Damascus* richly evokes a time and place where the deadly conflict between modernism and tradition in the Middle East first came into play Praise for *Ghost Eaters* A swashbuckling seafaring novel with mystical overtones Publishers Weekly An exciting smoothly written naval adventure set in Malaysia during 1875 Touching on the politics of war the power of superstition and the fragility of civilization this is exhilarating escapist fare Booklist The book is peopled with rich enigmatic characters whose pasts are shrouded in mystery and whose motives are close held secrets Jim Nelson author of the *Revolution at Sea* series Glorious shades of Joseph Conrad but with wry humor Splendidly written and an intriguing adventure mystery in the grand old style Dewey Lambdin author of the *Alan Lewrie* series Unashamedly and convincingly Conradian in its subject matter and scope and in the raw and elemental language of its telling this is the work of a devoted and accomplished storyteller and of a gifted writer and craftsman for whom the completed tale is considerably more than the sum of its parts Robert Edric author of *The Broken Lands*

Night's Fall Richard Parry, 1900 Adalia Kendrick sees the dead It's a gift Or maybe a curse Either way she's had five years to learn that the dead don't always stay quiet Her mother Danny has spent those years running from the darkness of the Night's Favor trying to carve out a life far from the blood and ruin they left behind But some things won't be outrun especially when the past comes hunting Across the sea Talin Moray has heard of the Night's power and he wants it for

himself With Vodou and an army of the dead he brings Chicago to its knees and he won't stop until the world bows with it To stop him Val Danny and Adalia must face the truth this curse is their only weapon and the price of using it might be everything If they fail Talin won't just take the city He'll rule its ashes The Pennsylvania School Journal Thomas Henry Burrowes, James Pyle Wickersham, Elnathan Elisha Higbee, David Jewett Waller, Nathan C.
