Between the Dark and the Daylight Joan Chittister,2015-02-24 There is a part of the soul that stirs at night in the dark and soundless times of day when our defenses are down and our daylight distractions no longer serve to protect us from ourselves writes beloved author Joan Chittister It s then in the still of life when we least expect it that questions emerge from the damp murkiness of our inner underworld These questions do not call for the discovery of data they call for the contemplation of possibility In words as wise as they are inspiring Between the Dark and the Daylight explores the concerns of modern life of the overworked mind and hurting heart These are the paradoxical and often frustrating moments when our lives feel at odds with everything around us Only by embracing the contradictions Chittister contends may we live well amid stress withstand emotional storms and satisfy our yearnings for something transcendent and real By delving into the chaos this book guides us through the questions that seemed easier to avoid and enlightens what has been out of focus With her signature elegance wit and spirit the bestselling author of *The Gift of Years* and *Following the Path* opens our eyes and hearts in these times of confusion With simple and poignant meditations Between the Dark and the Daylight reveals how we can better understand ourselves one another and God      **The American Magazine** ,1912      *American Magazine* ,1912

Hodgkins,2024-01-05 Excerpt A curved section of the dome twenty feet thick with the stubs of re inforcing rod rusty and protruding through the damp marked concrete formed the ceiling and back wall of Brendan s office There was a constant drip of seepage and condensation Near the mildew spotted floor a thin white mist drifted in torn swirls while the heating coils buried in the concrete fought back against the cold There was one lamp in the windowless dark a glowing red coil on Brendan s desk well below the eye level of the half dozen men in the room The heavy office door was swung shut the locking bars pushed home If it had not been there would have been some additional light from the coils in the corridor ceiling outside the office Brendan would have had to face into it and the men in front of him would have been looming shadows to him      *Electrical Review* ,1919      *Highway Grade-crossing Accidents*
