**Private Acts and Resolutions** Connecticut, 1911    **Beyond the Great Wall** Mario Miclat, 2006    **Leading Beyond the Walls** Frances Hesselbein, Marshall Goldsmith, Iain Somerville, 2001-01-19 Beyond the walls is a battle cry that mobilizes. The walls that surround us protect us and embrace us, but can also inhibit movement, limit understanding, restrict engagement, and diminish our relevance in the wider world. I realized that my walls and the walls of leaders everywhere were not only the walls of current policy, practice, procedure, and assumption, but also the walls of the past, safe, familiar, and secure. This recognition was just the first of several as we worked through a process to take ourselves and our organizations beyond the walls to new levels of performance and positive changes in the lives of people from the Introduction by Frances Hesselbein. In Leading Beyond the Walls, twenty-nine great thinkers examine leaders adept at establishing partnerships, alliances, and networks both within and outside their organizations. They address the challenge of leading in an age when the old rules and conventional boundaries no longer exist. Peter F. Drucker, Stephen R. Covey, Peter M.
